

The Great Gatsby

Journal Entry – Composition Notebook

3rd period – Sit where you were at the end of the period yesterday. If you did not participate yesterday for whatever reason, please see me before class.

Respond to the following quote:

“Gatsby believed in the green light, the orgastic future that year by year recedes before us. It eluded us then, but that’s no matter—to-morrow we will run faster, stretch out our arms farther....And one fine morning----” (Fitzgerald 180).

Look back at the *context of the quote*. Begin by completing the last sentence the way you think Fitzgerald might have intended it. Then continue your response based on your feelings about the quote.

Use at least two of your Acquiring Words and one semi-colon.
