Ardmore High School would like to encourage you to sign-up and participate in our monthly utility bill donation program. The money will be used to offset the loss of revenue due to the slow economy. Ardmore High School no longer receives money from outside sources for technology, instructional supply, and janitorial supplies, just to name a few.

It is easy to participate—just fill out the form below and return this page to your homeroom teacher. Remember that any Limestone county resident (grandparent, uncles, etc) that receives an Athens Utility Bill can donate regardless of what part of the county they are located. We appreciate you helping us provide a quality education for the students of Ardmore High School.

Athens Utilities is authorized to add the following amount to my monthly utility bill:

\$1    \$2    \$3    \$4    \$5    \$10    \$20    \_\_\_\_\_ Other (please specify)

By signing below, I am authorizing the sum of \$\_\_\_\_\_ be added ton my monthly utility bill. This sum amount will be billed as an extra charge on my bill each month (designated as DO for donation). I understand that the sum added to my account will be forwarded to Ardmore High School. I understand that I can adjust or stop this donation at any time through written communication to Athens Utilities.

The undersigned releases and discharges Athens Utilities, the Limestone County Board of Education, and Ardmore High School, their agents, officers, and employees for any and all liability arising out of or caused directly or indirectly by the authorization I have given.
