

BOB JONES HIGH SCHOOL

2017 SUMMER CREDIT RECOVERY PROGRAM

The Madison City Schools (MCS) Credit Recovery Program is designed to offer students who have received failing grades in required core courses an opportunity to recover the lost credit through computer-based instruction targeting specific knowledge and skill deficits instead of requiring the students to repeat the entire course. Students must meet eligibility requirements to apply.

Student Eligibility, Admission and Removal:

- Any student who has failed one or more core courses listed below during the 9th - 12th grade years may apply for admission.
- Student, parent or guardian, counselor and administrator must sign the BJHS Contract for Credit Recovery.
- Payment will be required upon registration.
- If the **final grade** earned in a core course required for graduation was between **50% - 64%**, then a series of diagnostic tests will determine the specific standards to be mastered to obtain credit.
- Satisfactory completion of the course will result in a **final grade of 70** for students of Madison City Schools.
- Credits recovered will be denoted on the Bob Jones transcript with a CR and the previously earned failing grade will remain on the transcript and both will be calculated into the overall Grade Point Average.
- The local policy of the student's school system will determine treatment of credit recovery grades.
- Students may be removed from the Credit Recovery program at the discretion of the administrator supervising the program for circumstances involving serious or repeated misbehavior or failure to make adequate progress towards meeting remediation requirements.
- Student who do not qualify for Credit Recovery or cannot complete a Credit Recovery program under these guidelines will be required to repeat the failed course covering all applicable standards and attending the total number of required instructional hours. .

- Students will sign up for either morning or afternoon session.
- Program is individualized and completion times will vary per student. Students are required to attend until all course requirements are complete.
