This student handbook is published so that all students and parents may have a ready reference to information that is necessary for an understanding of the daily operation of our school. It is essential that parents and students read the information contained therein so there may be as few misunderstandings as possible.

At Discovery we are committed to your child's educational excellence. We promote this through diverse curriculum, a dedicated and knowledgeable staff and a school/community partnership. Collaboration, cooperation, and open communication between home and school are keys to building a strong foundation for a successful school year.

We look forward to another great year at Discovery. DMS Panther Pride is at an all-time high. We hope students use their time in middle school to cultivate both learning and friendships that will last a lifetime. Thank you for your cooperation and support! Go Panthers!

NON-DISCRIMINATORY STATEMENT

It is the official policy of the Madison City school system that no person shall, on the grounds of race, color, disability, sex, religion, national origin or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or employment. The following person has been designated to handle inquiries regarding the nondiscrimination policies: Dr. Dee Fowler, 211 Celtic Dr., Madison, Alabama 35758, (256) 464-8370.

SCHOOL ARRIVAL

The official school day starts at 8:05 A.M. and ends at 3:10 P.M. Students will not be allowed in the school buildings until 7:30 A.M. as no doors will be unlocked until that time. Please adhere to this policy because the safety and supervision of students is one of our greatest concerns. Administrators and teachers officially assume their morning duty beginning at 7:30 A.M. Car riders will go into the gym and remain there until 7:55 A.M. Likewise, bus riders will go directly from the bus to the cafeteria and remain there until the 7:55 A. M. bell. Bus riders are not to arbitrarily make a decision to go to the gym prior to 7:55 A.M. Neither are car riders allowed to go to the cafeteria before time. Students who normally walk to school will use either the cafeteria or gym depending on which is closer to their arrival point. Students are not allowed in the halls, library, or classrooms until after the 7:55 A.M. bell. At that time, students

are allowed access to their lockers, and then may go to the area closest to their homeroom. Students roaming the halls in an arbitrary fashion away from their primary area will be subject to disciplinary action.

STUDENT ABSENCE PROCEDURES

Students, who are absent from school the entire day, must bring either a parent note stating the reason for the absence or a doctor's excuse. Absent notes should be given to the homeroom teacher within **three** days of the absence, or it will be unexcused. Board policy states that work cannot be made up for unexcused absences. Good attendance is encouraged and necessary for successful grade promotion. If a student's absences exceed 5 days in one semester, the student is required to bring a doctor's excuse for any additional days. This process starts over second semester. A parent can write an excuse for a yearly total of 10 days (5 per semester). Requests to attend non-school educational activities must be presented to the principal, in writing, **prior** to the trip. The principal, at his/her discretion, will then decide if the activity will be an excused or unexcused absence based upon the State Department of Education's current School Attendance Manual.

Please see attached document: State of Alabama, Department of Education – Truancy Definition

CHECKING IN/OUT PROCEDURES

Students, who arrive at school after the 8:05 bell, are tardy and must be signed into school **by the parent**. **Students will never be allowed to sign themselves into school.** The student will then receive a pass to class marked either excused or unexcused. An excused tardy includes illness or a doctor's appointment. **No more than three excused tardies per semester will be allowed unless a doctor's note or legal document is produced. All tardies after the third will result in immediate assignment of after school detention. Oversleeping, missing the bus, or traffic problems are not an excused tardy.** A student who is tardy for school (unexcused) or any class period during the school day will be assigned detention. If the student misses detention, he/she will be assigned to ISS. Students missing Saturday school will be assigned to three days of I.S.S. Students may only be checked out during the day by a parent or guardian. Phone calls will NOT be accepted for checking out students. The student will be called from class upon the parent's arrival at school. Please arrive early in order to allow ample time for your child to arrive in the office to check out. If at all possible, students should be checked out at the beginning or end of a class block/period.

GRADE POLICY

Nine-week grades are a combination of daily class grades, quiz grades, test scores, assigned reports and projects and are an indication of how a student is doing at certain points during the school year. A student's semester grade will be an accumulation and combination of all grades throughout an eighteen-week period.

HONOR ROLL

An “A” Honor Roll will be published at the end of each nine weeks grading period. It will be an all “A” Honor Roll. Any one grade lower than an “A” will eliminate a student from the “A” Honor Roll. An “A/B” honor Roll will be published at the end of each nine weeks grading period. It will be an all “A” and “B” Honor Roll. Any one grade lower than a “B” will eliminate a student from the “A/B” Honor Roll. Students will be recognized on Awards day for their academic accomplishments.

MAKE-UP WORK

Under normal circumstances, it is expected that students **will submit previously** assigned work upon return to school after an excused absence. All work missed on the day(s) of excused absences must be made up within three school days after returning to school. **It is the responsibility of the student to ensure he or she makes up work following excused absences. Students will not receive credit for and will not be allowed to make up any assignments, tests, work, activities, etc., missed during unexcused absences.**

HALL PASS

Students must have a DMS planner with a pass signed by the teacher to be out of class during the school day. Misuse of their pass will result in the loss of privileges and/or disciplinary measures.

DRESS CODE

The Board believes that good grooming; dress, and personal appearance are essential elements in the learning and teaching process because they contribute to a more favorable learning attitude and environment. Students are expected to dress and to be groomed in a manner that ensures their health and safety. Hair must be styled and colored in a manner that does not cause disruptions/distractions. Hair must also be clean, sanitary and kept out of the eyes so not to impair vision. Grooming, dress, and personal adornment, including considerations of personal hygiene, and general cleanliness, must not constitute a distraction or interfere with the educational opportunity of other students, nor must they present the possibility of injury. **Boys:** Pants may not be oversized, too tight, or allowed to sag. Undergarments must not be exposed. Pant legs must be uniform length and may not drag on the floor. **Girls:** Clothing that is too tight, short, or low cut will not be permitted. **Clothing that is shorter than a credit card length above the knee will not be allowed.**

Boys/Girls: Only piercing of the ears is allowed in school and then they must not disrupt/distract others as determined by school officials. Tattoos are not allowed and must not be visible at school. A student with tattoos must cover them up. **NO EXCEPTIONS! If a student does not meet dress code, parents will be contacted to pick up the student in order for him/her to go home and change into appropriate attire. Any missed instructional time as a result of dress code violation will be unexcused.** {Madison City Schools Policy JA}, Section X}.

FIGHTING

Fighting will not be tolerated at Discovery Middle School. Students involved in fighting either before/after school, during school, or at a school activity will be suspended from school. Disciplinary hearings may be held. In addition, the student may be arrested. A parent conference will be required with an administrator.

DRUGS/MEDICATION

Students are not to have **PRESCRIPTION** or **NON-PRESCRIPTION** medication in their possession on school premises or school buses or at school-sponsored events. Students are not allowed to transport **ANY** type of medication to or from the school. Parents must bring medications to the nurse. All medications will be dispensed in the nurse's office. Examples of non-prescription medications include but are not limited to Tylenol, Midol, Motrin, Ibuprofen, Aleve, Sudafed, Claritin, Tylenol Sinus, etc. Students who are in possession of these types of items will be in violation of district policy and therefore subject to appropriate disciplinary procedures. Any student who has medication prescribed by a physician must leave it in the nurse's office and a medication release form must be filled out by the parent and attending physician and kept on file in the main office. Any student in possession of medication, who gives away, sells or attempts to sell medication (prescription or non-prescription) may be subject to suspension or expulsion. {Madison City Schools Policy JA], Section XX}

A student who possesses, uses, or is under the influence of any narcotic substance, alcoholic beverage, controlled drug (other than prescribed to student) or intoxicant of any kind while on the school grounds or at any school activity or event shall be referred for disciplinary action and referral made to law enforcement authorities.

TOBACCO PRODUCTS

Smoking and/or the use of tobacco products are prohibited in all school buildings and on any property owned and/or controlled by the Board of Education. Such prohibition also includes school-sponsored events. Any student found with tobacco or tobacco products will be suspended from school for no less than three days and no more than five days. {Madison City Schools Policy GAN, April 6, 2000}

DETENTION

Students that are tardy to class will be assigned to either morning or afternoon detention. It is the student's responsibility to inform their parents of the date and time this detention is held. All students attending morning detention must sign in NO later than 7:10 A.M. on the assigned day. Students attending afternoon detention must be picked up NO later than 4:00.

IN-SCHOOL SUSPENSION

In- School Suspension will be held daily during school hours. All students assigned I.S.S. must obey the teacher and rules at all times or will be subject to Out-Of-School Suspension.

PROFANITY

The use of improper or profane language in school and/or at school activities is prohibited. Offenders are immediately subject to disciplinary action. Anyone using profanity toward a staff member of Discovery will be suspended and could be subject to a disciplinary hearing.

CHEATING, PLAGIARISM, MAJOR FORGERY

A student who cheats will be subject to disciplinary consequences in Section XXII of the student code of conduct. Cheating is defined to include, but is not limited to: (a) copying someone else's work in or out of class and identifying and submitting it as your own, (b) failing to quote and/or list appropriate citations for material derived from published sources (including the Internet) and identifying and submitting it as your own, (c) the use of unauthorized notes, other materials, or assistance during the accomplishment of graded work in or out of class, (d) any other situation in which the student attempts to or accepts credit for work not his or her own.

THEFT

The acts of theft, damage of property, assault, possession of weapons and harassment are violations of the law. Such behavior will result in immediate suspension and other disciplinary action as deemed appropriate by the administrator. Students participating in such types of behavior may be referred to appropriate law enforcement authorities.

CELL PHONES, ELECTRONIC DEVICES & MISCELLANEOUS ITEMS

No cell phones or other electronic devices will be allowed during instructional time unless deemed appropriate by the teacher. Detention or ISS will be assigned if there is failure to comply. Matches, lighters, and laser devices are prohibited and constitute a Class II offense. **Any misuse of electronic devices will result in disciplinary consequences. Misuse is behavior such as texting, using phone or other devices to video students and/or faculty or posting inappropriate pictures or comments to social networking sites which cause disruption at school.** These items will be confiscated and kept in the office until the end of the semester. Parents may pick these up early, but the student will receive one day of ISS if devices are picked up early. Multiple incidents will result in harsher consequences. Skateboards and/or roller blades are not allowed on school grounds. The school is not responsible for the loss or theft of prohibited items or electronic devices.

BUS RULES

Safety on school buses is essential, and it starts with good behavior from students. Students are to ride their assigned buses on a regular basis. **Drivers will not allow students who are not regular riders to board their buses without the approval of and a signed note from parents and the administration. Students should bring these requests to the office upon arrival at school to obtain permission from the administrator.**
