TO THE PARENT/GUARDIAN:

Welcome to Discovery and the 2018-2019 school year! It is a great time to be a DMS Panther! This student handbook is published so that all students and parents may have a ready reference to information that is necessary for an understanding of the daily operation of our school. It is essential that parents and students read the information contained therein so there may be as few misunderstandings as possible.

At Discovery we are committed to your child's educational excellence. We promote this through diverse curriculum, a dedicated and knowledgeable staff and a school/community partnership. Collaboration, cooperation, and open communication between home and school are keys to building a strong foundation for a successful school year.

We look forward to another great year at Discovery Middle School: a place for innovation, excellence, and discovery. DMS Panther Pride is at an all-time high. We hope students use their time in middle school to cultivate both learning and friendships that will last a lifetime. Thank you for your cooperation and support! Go Panthers!

TO THE STUDENT:

On behalf of the faculty and staff of Discovery Middle School, we would like to welcome you to the school. Academic success and appropriate social skills are the foundation to your future success. Discovery Middle has the reputation of high academic achievement due to the dedication and efforts of our faculty and the diligence and perseverance of the student body. Organization is one of the necessary keys to success, and we want to provide you with every opportunity to succeed. Good luck in the upcoming school term!

It is the official policy of the Madison City school system that no person shall, on the grounds of race, color, disability, sex, religion, national origin or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or employment. The following person has been designated to handle inquiries regarding the nondiscrimination policies: Mr. Robby Parker, 211 Celtic Dr. Madison, Alabama 35758, (256) 464-8370.

SCHOOL ARRIVAL

The official school day starts at 8:05 A.M. and ends at 3:10 P.M. Students will not be allowed in the school buildings until 7:30 A.M. as no doors will be unlocked until that time. Any student involved in activities prior to 7:30 AM should seek information from the sponsor/teacher. Please adhere to this policy because the safety and supervision of students is one of our greatest concerns. Administrators and teachers officially assume their morning duty beginning at 7:30 A.M. Car riders will go into the cafeteria and remain there until 7:55 A.M. Likewise, bus riders will go directly from the bus to the gym and remain there until the 7:55 A. M. bell. Bus riders are not to arbitrarily make a decision to go to the cafeteria prior to 7:55 A.M. Neither are car riders allowed to go to the gym before time. Students who normally walk to school will use either the cafeteria or gym depending on which is closer to their arrival point. Students are not allowed in the halls, library, or classrooms until after the 7:55 A.M. bell, unless they have obtained a hall pass from their designated club or particular group. At that time, students are allowed access to their lockers, and then may go to the area closest to their first block/period. Students roaming the halls in an arbitrary fashion away from their primary area will be subject to disciplinary action.

STUDENT ABSENCE PROCEDURES

Students, who are absent from school the entire day, must bring either a parent note stating the reason for the absence or a doctor's excuse. Absent notes should be turned into the front office, within **three** days of the absence, or it will be **unexcused**. Board policy states that work cannot be made up for unexcused absences. Good attendance is encouraged and necessary for successful grade promotion. If a student's absences exceed 5 days in one semester, the student is required to bring a doctor's excuse for any additional days. This process starts over second semester. A parent can write an excuse for a yearly total of 10 days (5 per semester). Requests to attend non-school educational activities must be presented to the principal, in writing, **prior** to the trip. The principal, at his/her discretion, will then decide if the activity will be an excused or unexcused absence based upon the State Department of Education's current School Attendance Manual.

*****Please see attached document: State of Alabama, Department of Education – Truancy Definition***

CHECKING IN/OUT PROCEDURES

Students, who arrive at school after the 8:05 bell, are tardy and must be signed into school **by the parent**. Students will only be allowed to sign themselves into school if they have a doctor's note. The student will then receive a pass to class marked either excused or unexcused. An excused tardy includes illness or a doctor's appointment. No more than three excused tardies per semester will be allowed unless a doctor's note or legal document is produced. All tardies after the third will result in immediate assignment of after school detention. **Oversleeping, missing the bus, or traffic problems are not an excused**

tardy. A student who is tardy for school (unexcused) or any class period during the school day will be assigned detention. If the student misses detention, he/she will be assigned to one half day of ISS. Students may only be checked out during the day by a parent or guardian. Phone calls will NOT be accepted for checking out students. The student will be called from class upon the parent's arrival at school. Please arrive early in order to allow ample time for your child to arrive in the office to check out. If at all possible, students should be checked out at the beginning or end of a class block/period.

GRADING POLICY

Nine-week grades are a combination of daily class grades, quiz grades, test scores, assigned reports and projects and are an indication of how a student is doing at certain points during the school year. A student's semester grade will be an accumulation and combination of all grades throughout an eighteen-week period. Progress reports will be issued twice during a grading term (every three weeks). Parents can monitor their student's progress in each class by logging into the Information Now (INOW) portal located on the school website.

MAKE-UP WORK

Under normal circumstances, it is expected that students will submit previously assigned work upon return to school after an excused absence. All work missed on the day(s) of excused absences must be made up within a timeframe determined by the teacher. **It is the responsibility of the student to ensure he or she makes up work following excused absences. Students will not receive credit for and will not be allowed to make up any assignments, tests, work, activities, etc., missed during unexcused absences.**

HALL PASS

Students must have a pass signed by the teacher to be out of class during the school day. Misuse of their pass will result in the loss of privileges and/or disciplinary measures.

DRESS CODE

The Board believes that good grooming, dress, and personal appearance are essential elements in the learning and teaching process. Students are expected to dress and to be groomed in a manner that ensures their health and safety. Hair must be styled and colored in a manner that does not cause disruptions/distractions. Grooming, dress, and personal adornment, including considerations of personal hygiene, and general cleanliness, must not constitute a distraction or interfere with the educational opportunity of other students. Any holes that are above the allowed garment length must not show skin (leggings or shorts must be worn underneath). Undergarments must not be exposed. Clothing that is too tight, short, or low cut will not be permitted. Halter tops, crop tops, or any other clothing pieces that show the mid-drift or bare back are not allowed. Images or wording on clothing must be school appropriate (i.e. no alcohol, drugs, weapons, violence, tobacco, or obscene references). Blankets, stuffed animals, pajamas, and house slippers are not allowed. **Any garment worn over leggings must be fingertip length. Clothing that is shorter than a credit card length above the knee will not be allowed.**

Only piercings that are not a distraction to the learning environment or are not a safety risk are allowed. Tattoos are not allowed and must not be visible at school. A student with tattoos must cover them up. **NO EXCEPTIONS!**

If a student does not meet dress code, parents will be contacted to pick up the student in order for him/her to go home and change into appropriate attire. Students are responsible for any work missed due to dress code violations.

FIGHTING

Fighting will not be tolerated at Discovery Middle School. Students involved in fighting either before/after school, during school, or at a school activity will be suspended from school. Disciplinary hearings may be held. In addition, the student may be arrested. A parent conference will be required with an administrator.

DRUGS/MEDICATION

Students are not to have **PRESCRIPTION** or **NON-PRESCRIPTION** medication in their possession on school premises, on school buses, or at school-sponsored events. Students are not allowed to transport **ANY** type of medication to or from the school. Parents must bring medications to the nurse. All medications will be dispensed in the nurse's office. Examples of non-prescription medications include but are not limited to Tylenol, Midol, Motrin, Ibuprofen, Aleve, Sudafed, Claritin, Tylenol Sinus, etc. Students who are in possession of these types of items will be in violation of district policy and therefore subject to appropriate disciplinary procedures. Any student who has medication prescribed by a physician must leave it in the nurse's office and a medication release form must be filled out by the parent and attending physician and kept on file in the main office. Any student in possession of medication, who gives away, sells or attempts to sell medication (prescription or non-prescription) may be subject to suspension or expulsion. {Madison City Schools Policy JAJ, Section XX}

A student who possesses, uses, or is under the influence of any narcotic substance, alcoholic beverage, controlled drug (other than prescribed to student) or intoxicant of any kind while on the school grounds or at any school activity or event shall be referred for disciplinary action and referral made to law enforcement authorities.

TOBACCO PRODUCTS

Smoking and/or the use of tobacco products are prohibited in all school buildings and on any property owned and/or controlled by the Board of Education. Such prohibition also includes school-sponsored events. Any student found with tobacco or tobacco paraphernalia will be suspended from school for no less than three days and no more than five days. {Madison City Schools Policy GAN, April 6, 2000}

DETENTION

Early morning detention will begin at 7:10 A.M. each morning Tuesday – Thursday and will conclude at 7:50 A.M. Entrance and room locations will be determined at the beginning of the school year. This detention will be assigned as appropriate by the administration or as an alternative to afternoon detention. It is the student’s responsibility to inform their parents of the date that this detention is held. All students must sign in NO later than 7:10 A.M. on the assigned day.

After school detention will be held on the designated day that is assigned by the principal from 3:30 P.M.-4:10 P.M. It is the student’s responsibility to inform their parent of the date that this detention is held. Parent(s)/Guardian(s) will be responsible for prompt pick up following detention in the front circle. Students who choose not to show up for an assigned afternoon or morning detention will be assigned to In-School Suspension.

IN-SCHOOL SUSPENSION

In-School Suspension will be held daily during school hours. All students assigned I.S.S. must obey the teacher and rules at all times or will be subject to Out-Of-School Suspension or additional days of I.S.S. While in I.S.S. students will be required to complete all classwork and additional tasks such as community service and other writing assignments. Students will be required to turn in their personal cellular device each day they are in I.S.S.

PROFANITY

The use of improper or profane language in school and/or at school activities is prohibited. Offenders are immediately subject to disciplinary action. Anyone using profanity toward a staff member of Discovery will be suspended and could be subject to a disciplinary hearing.

CHEATING, PLAGIARISM, MAJOR FORGERY

A student who cheats will be subject to disciplinary consequences in Section XXII of the student code of conduct. Cheating is defined to include, but is not limited to: (a) copying someone else’s work in or out of class and identifying and submitting it as your own, (b) failing to quote and/or list appropriate citations for material derived from published sources (including the Internet) and identifying and submitting it as your own, (c) the use of unauthorized notes, other materials, or assistance during the accomplishment of graded work in or out of class, (d) any other situation in which the student attempts to or accepts credit for work not his or her own.

THEFT

The acts of theft, damage of property, assault, possession of weapons and harassment are violations of the law. Such behavior will result in immediate suspension and other disciplinary action as deemed appropriate by the administrator. Students participating in such types of behavior may be referred to appropriate law enforcement authorities.

CELL PHONES

Students may use cell phones during transitions in the hallway and during lunch. Teachers may confiscate a cell phone that is used in violation of their classroom policy. Multiple incidents may result in harsher consequences. Parents may be required to pick up a confiscated cell phone. Students may use cellphones in the classroom if the teacher allows it for instructional purposes. The school is not responsible for the loss or theft of any cell phones.

FIELD TRIPS

It is a privilege, not a requirement, for students to participate in DMS field trips. Therefore, any student that has been placed in out-of-school suspension (O.S.S.) will not be allowed to attend field trips for the remainder of the year. Furthermore, any student that has been placed in I.S.S. multiple times (more than once) will be prohibited from attending field trips. Any money that a student has contributed toward a field trip will be forfeited and no refunds will be issued if that student is suspended and not allowed to attend.

MISCELLANEOUS ITEMS

Matches, lighters, laser devices are prohibited and constitute a Class II offense. Dice or other gambling devices are not allowed at school. **Any misuse of electronic devices will result in appropriate disciplinary consequences. Misuse is behavior such as texting, video recording students/DMS staff members, or posting inappropriate pictures/comments to social networking sites which cause disruption at school.** These items will be confiscated and appropriate consequences will be administered. The school is not responsible for the loss or theft of prohibited items or electronic devices.

BUS RULES

Safety on school buses is essential, and it starts with good behavior from students. Students are to ride their assigned buses unless given express written permission from a parent/guardian to ride a different bus. Written permission must be approved by the front office staff. **Students should bring these requests to the office upon arrival at school to obtain permission from the administrator.**

Riding the bus is a privilege that can be taken away if a student disregards rules. Listed below are rules for proper bus conduct:

- Remain seated at all times while the bus is in motion.
- Use appropriate tone of voice and language at all times.
- Obey the driver at all times.
- Be respectful of driver and other students.

LOCKERS

All students (Grades 6-8) can rent a locker. It is the students' responsibility to keep the locker orderly, clean and fresh. No stickers, etc. are to be placed on the lockers. Anyone abusing a locker will be subject to the replacement cost of that locker. Once you have been assigned a locker, you are responsible for the cleanliness and contents of the locker.

PARENT / TEACHER CONFERENCES

The use of parent/teacher conferences and communication is encouraged. Parent/teacher conferences should be coordinated by calling or emailing the appropriate teacher. More communication between parents and teachers contributes to the better understanding of the student's needs. If requested, a member of the administrative staff will sit in on a conference.

VISITORS AND/OR PARENTS

All parents and visitors must sign in at the main office. Please use the front entrance to enter and exit the building. Picture ID is required to check out a student. You will be issued a visitor's pass to wear while you are in the building. A parent, guardian, or other person having charge of any child officially enrolled in Alabama public schools (K-12) shall explain in writing the cause of any and every absence of the child no later than three (3) school days following return to school.  - (iii) Failure to appear at the school conference and/or to appear at the early warning program shall result in the filing of a complaint/petition against the parent under *Code of Alabama (1975), S16-28-12(c) (failure to cooperate)* or truancy against the child, whichever is appropriate. No earlier than seven unexcused absences, but within ten (10) school days (court)
