Permission Form for School Bus Transportation within the System

Each year some of our school activities are held at the Center for the Performing Arts at Midfield High School or on the campus of one of the other schools in our district. If these activities take place during school hours, it is necessary for our students to be transported to these locations by school buses. Transporting students on school buses is also a component of Safety Plans at each school. To simplify the process and eliminate the necessity of getting permission forms signed each time, we ask that you read the form below and, if it is agreeable to you, please sign and return it to the school.

This permission form will remain on file in the homeroom teacher's classroom for the entire school year. You will be notified in advance of any activity within the Midfield City School District that requires transportation by school bus, but it will not be necessary for you to sign a new permission form on each occasion. If you decide at any time during the school year that you wish to withdraw your permission, you may do so by writing a letter to the principal informing him/her of your decision.

ALL OTHER FIELD TRIPS OUTSIDE THE SCHOOL SYSTEM WILL STILL REQUIRE PERMISSION FORM SPECIFIC TO EACH ACTIVITY

Thank you,

Jason Cox, Transportation Supervisor – Midfield City Schools
