RE: Senior Recognition Ceremony

Congratulations! You are almost at the end of your Senior year in high school. We, at the Bryant Career Technical Center, are glad that you chose to enroll in a program and stayed with it. A completer is defined as a student who completes 3 or more courses in a career technical program. We are excited to announce that you have achieved the status of , “Completer”.

Because of this accomplishment, we would like to invite you and special guest to our Annual Senior Recognition Ceremony to be held, Friday, April 27, 2018, at Theodore High School. The ceremony will begin promptly at 8:45 AM. Due to the large number of seniors being honored this year, we ask that you limit your special guest to a total of 3. This program is being conducted on your behalf to honor your diligence in exploring options for your future.

Attached you will find information in regards to dress code and other pertinent information involving that day. If you have any questions or concerns, please contact Mrs. Lucious at mlucious@mcps.com or by calling the phone number listed above.

We look forward to celebrating this occasion with you.
