Students can buy tickets for the Green/White game for \$2. Fundraiser for the football team

There will be assigned areas for each grade level to sit. Students must remain in their assigned areas. Each grade level will have a concession stand so that students do not need to leave their assigned area.

The office, school club, or other group could sell concessions as a fundraiser. If no other group wants to handle the concessions, I will get the Archery Team to handle it as a fundraiser for next year.

Thanks,

K Mattern
