L. Douglas Harwell, Jr. - District 1

Don Stringfellow - District 2

Rev. Levon C. Manzie - District 4

SUPERINTENDENT Martha L. Peek

Dear Clark-Shaw Parent and Student:

Welcome back!

Researching, experimenting and analyzing data in order to produce a Science Fair Project is required of ALL Clark-Shaw students. It integrates Science, Math and Language Arts and it teaches our students how to think critically and understand the real nature of science. This may seem overwhelming at first, however, your child will be guided at school for several months on how the experimental process works.

There will be a Parent Q & A meeting **TUESDAY AUGUST 29, 2017** (6<sup>th</sup> grade) and **THURSDAY AUGUST 31, 2017** (7<sup>th</sup> & 8<sup>th</sup> grade) held in the **gym at 5:30 p.m.** This meeting is to inform parents more about the science fair project process and answer any additional questions parents may have about the science fair projects.

Thank you,

Clark-Shaw Science Department
