

# Science Fair Project Proposal Form

Name \_\_\_\_\_

Period \_\_\_\_\_

Teacher \_\_\_\_\_

*I propose the following investigation for my Science Fair Project:*

**Purpose** (What question will my project be designed to answer?)

---

---

---

**Research** (What **subjects/information** must I read about to develop a better understanding of this topic?)

This should be the 3 keywords you listed to google this topic on your Science Fair Ideas Form.

**DO NOT answer Internet, library, encyclopedia, etc.**

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

**Procedure** (What experiment will I perform to answer my question?)

A. **Material List** (Be specific)

|       |       |       |
|-------|-------|-------|
| _____ | _____ | _____ |
| _____ | _____ | _____ |
| _____ | _____ | _____ |
| _____ | _____ | _____ |
| _____ | _____ | _____ |

B. **Step by step directions for the experiment** (Number each step—Provide details)

---

---

---

---

---

---

---

(B. Step by step directions continued)

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

---

**Measurable Results** (What quantities will be measured during/after the experiment?) This data will be used to produce your charts and graphs—record in metric units.

---

---

*This is the project I plan to complete.*

\_\_\_\_\_  
**Student Signature**

\_\_\_\_\_  
Date

*I understand the project my child plans to complete and will support and supervise my child's efforts related to this project.*

\_\_\_\_\_  
**Parent/Guardian Signature**

\_\_\_\_\_  
Date

*I have read this proposal and approve this topic for the Science Fair Project*

\_\_\_\_\_  
**Science Teacher (Adult Sponsor) Signature**
