

HELP WANTED!

Hurricane Michael may have come and gone, but the effects from this devastating storm still remain. Several students and faculty members at Collier have friends and/or family members who need our help! Many schools, businesses and homes are *just now* in the process of moving forward. Our NEHS (National Elementary Honor Society) and Student Council is organizing a “HELPING HANDS” Relief Drive.

You may bring in any of the following donations between November 5 - November 16. All donations will be distributed in several areas throughout Florida—including Lynn Haven, Marianna and Bay District Schools in Panama City.

ITEMS NEEDED

***new school supplies for students**

(pencils, crayons, backpacks, highlighters, paper, spiral bound notebooks, pocket folders, composition notebooks, etc.)

***new jackets for students in Pre-K through 12th grade**

***new school supplies for teachers**

(post-it notes, expo markers, paper clips, staplers/staples, tape, highlighters, Lysol wipes, etc.)

***work gloves, contractor trash bags, drop cloths, tarps, outdoor tools, dusk masks, cleaning products, paper products, etc.**

***canned food, bottled water and other non-perishable food items**

All students who donate to our *Helping Hands Relief Drive* will have their name included on our “Helping Hands” display in the school hallway during the month of November.

THANK YOU for your support!
