1. It is the responsibility of the student to maintain proper care of their device. Any damage that occurs to the device will not be the responsibility of the school or school system.
2. Students will bring approved devices at their own risk, just like any other personal item. The school will not be held responsible if an electronic device or other item is lost, stolen, or misplaced. Some de-vices have a locator, such as Find My iPod/iPhone/iPad; it is recommended that you enable this feature if possible.
3. Devices must be charged at home before coming to school daily. Teachers and school staff are not responsible for charging devices.
4. Students must already be familiar with their device before bringing it to school, including powering the device on and off, setting it on silent mode, accessing Wi-Fi settings, and accessing the internet browser.
5. Teachers and staff will not be responsible for training students to use a personal device.
