

MISSION STATEMENT

The faculty and staff of John L. LeFlore Magnet High School are committed to provide an educational climate conducive to the social, academic, and physical growth of our student population with special emphasis on Law and Health Services, which is our Signature Academy. Our goal is to equip all students with the essential tools which assure a productive life.

VISION STATEMENT

Our vision is a student body that is prepared to enter the job force or college and be productive members of society.
