

STAR™ Assessments

STAR Data Professional Development January 31, 2017

SPECIFIC DETAILS

Meeting Date: Tuesday, January 31, 2017

Meeting Location: Library Computer Lab

Time: One hour per meeting

Usernames and Passwords: Provided by Media Specialist, Mrs. Randall

Materials: Note pad, ink pen

Trainer: Denise Stamps-Johnson

PURPOSE OF THE STAR PROFESSIONAL DEVELOPMENT: The purpose of this STAR professional development is to provide the entire teaching faculty with access to their students' data. This data should indicate student weaknesses and strengths so that you will be able to meet student-learning needs.

The STAR assessments provide information about student growth and achievement and the software scores it automatically. You will be able to view and print a number of reports at the individual, classroom, and grade level in order to monitor progress. Lastly, you will be able to tailor instruction to individuals and to high-stakes testing requirements.

****If your planning block has changed, please inform me so that I can make the necessary revisions****

Memo

To: Special Education Teachers
From: Keirston Gaines, Assistant Principal (PST Designee)
Date: August 25, 2016
Re: BASC2- SOS Training for SPED Teachers

As we move forward with effective PST implementation, all special education teachers are required to attend BASC2-SOS training to assist with PST. As a result, each of you will be able to complete the BASC-SOS thoroughly in order to obtain an accurate snapshot of student behavior in the regular education setting.

Training Date: September 9, 2016

Training Times: 8:30- 11:00

12:30-3:00

Location: Central Office

Registration: You must register in STI-PD. The training session is not listed yet; however, it should be in STI-PD by next week.

Description of the BASC2-SOS training includes the following: Training in completion of the Behavior Assessment System for Children 2- Structured Observation System (BASC 2-SOS). The BASC 2-SOS is a structured observation of the student. This is a required component for students who have completed Tier III interventions and are being referred for possible special education services. Completion and utilization of this information will be presented. You will practice completing a BASC 2-SOS.

Training by teachers (includes three teachers per session, your times cannot be switched):

➤ **8:30-11:00**

- Tavonnica Cornner (LEA)
- Zina Edwards
- Christopher Andrews

➤ **12:30-3:00**

- Donald Lewis
- Mary Roberson
- Gwendolyn Martin

Problem Solving Team (PST)

Re: Review 360 procedures

Review 360 PowerPoint and Training Video

As we implement PST, teachers **must** use Review 360 to document behaviors that occur in your classroom, including your A offenses. As some of you may know, Review360 is a comprehensive web-based behavior management system that simultaneously benefits both General Ed and Special Ed teachers, students, and the school. It gives educators the training, real-time intervention recommendations, and decision-driving data needed for effective classroom management and help students succeed academically.

Everyone was trained and given access to Review 360 a couple years ago. Therefore, all teachers have Review 360 accounts, but have not logged on in a while. Therefore, everyone will need to login and select the "I forgot my password" option on the login page. The website: www.psiwaresolutions.com

As a refresher or initial training for some, I have attached the Review 360 PowerPoint presentation (to this email). Additionally, the link to the Review 360 training video is identified below.

Notes:

- The video is 3 hours; therefore, the video can be broken down and watched in 30-minute increments or an hour a day during your planning block. However, the entire video **must** be watched by Friday, October 14th.
