Principal Advisory Committee Survey Quarter 1 2016-2017 SY

1. What was your favorite core class at Lott Middle School? Why?

English and language because Mrs. Boyd is tough on you but pushes you to do your hardest and she's always teaching something and her class is not boring.

2. If you had a serious issue or emergency of any kind, which adult(s) in the school would you go to? Why?

I would go to Mrs. Harrison because she's my cheer coach and I trust her and also Mrs. James or Mrs. Bosarge because they are teachers that listen to what you're saying and get you help.

3. List your teachers from most favorite to least favorite. Explain with one comment for each teacher.

1. Harrison - the way she teaches is good
2. Bealle - like the hands on
3. Boyd - good teacher - pushes you for the best
4. James - repeats the same assignments but good lets us study
5. Ramsey - Rude
6. Weedy - doesn't teach

4. What do you want to do when you graduate from high school?

When I graduate high school I want to go to college and become a neonatal nurse and graduate with honors.

5. What resources or assistance do you need to be a successful student at Lott Middle School?

You need a teacher that is willing to help you and teach you and an environment with good behavior so you can focus.
