After School Tutoring

To further enhance the success of our students, MCTS teachers are making themselves available on Tuesdays and Thursdays to tutor your children. If your child has not signed up for after school tutoring, please contact us for more details. Tutoring begins at 2:30 and ends at 4:00 p.m. Snacks and transportation will be provided.

MENTORS

Mentors visit our campus regularly on a weekly basis. These men and women are professionals from all around the city and from all walks of life. They are here on campus several days a week to impart and to enhance the reading, math, social skills, writing, and public speaking skills of our students.

Parents

Will you set aside at least 30 minutes per day, seven days a week to help your child awaken some of his or her latent talents?

Where do we go from here? We are currently five weeks away from the end of our third quarter and approximately seven weeks away from our annual ACT Aspire Tests. On the second of February, we invited parents and guardians to attend a workshop designed to enhance the study skills of our students. The parents/guardians that attended the workshop were given Exemplar Test Items, previous year's test results and a wall of success diagram to show where students are and where they need to be.

Since, a few of you were unable to attend the first ACT Aspire Workshop, we have decided to have second workshop. This will allow each of you to have access to, and take advantage of the helpful materials and information shared during the first workshop. In order to give each of you an opportunity to attend our next workshop, our times of operation will extend from 8:00 a.m. until 4:00p.m., Thursday, February 23rd. Refreshments will be served and drawings will be held throughout the day

URGENT
ATTENDANCE and TARDIES

Breakfast is from 6:50 until 7:15. The Tardy Bell rings at 7:30. As a reminder four (4) tardies equal an absence, and unless otherwise advised or your child is sick, he or she should be in school generally from August until June. FYI, 11 absences could lead to more stringent consequences. Please make every effort to get your child to school, and on time.
