

The Pot of Gold at the End of the Rainbow

Finding a pot of gold at the end of the rainbow would be exciting. First, I would dig through it to make sure all of it is gold. Then I would take some of it and throw it in the air and watch it fall on the ground. Finally, I would hide it in my closet so that it cannot be found. These are a few things I would do if I found a pot of gold at the end of the rainbow.
