## CFA 2.3 POSTTEST

RI.1.3 Describe the connection between two individuals, events, ideas, or pieces of information in a text. RI.1.9 Identify basic similarities in and differences between two texts on the same topic (e.g. Illustrations, descriptions, or procedures).

Directions: Read the two text and then answer the questions. Underline your proof within the text.

### My First Pet Fish

Max wants a pet fish. What does he need? One thing he will get is a fish tank. The fish tank must have rocks in it. He will need to get fish food too. Pet fish eat fish flakes. He will feed the fish. He will not give the fish a lot of food because it will make the fish sick. Some times he will have to clean the tank or add water to the tank. You have to take care of fish!

-----

### A New Home for Fish

Fish needs a new home. He is too big for his little bowl. He will get a big tank. It is a good home for Fish. The man will put water in the tank. The man will put rocks in the tank. Next he will put Fish in his new home and feed him fish flakes. Fish needs to eat fish flakes. Fish likes to swim in his tank. It is a good home for fish!

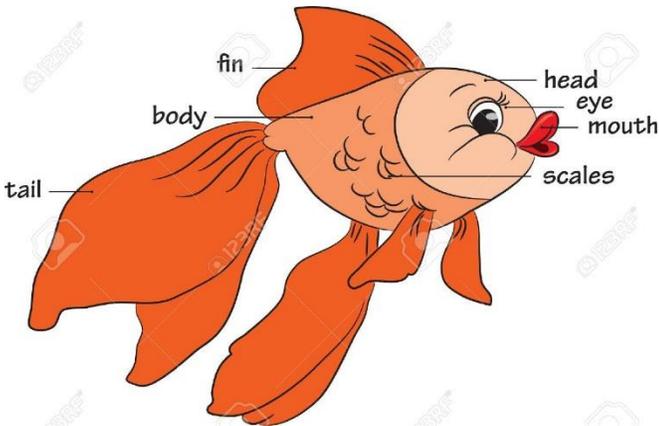

1. The text are both about?
- fish in the sea
  - fish in a tank
  - pet dog

2. In both text a fish needs \_\_\_\_\_.
