

Data Use and Governance Policy

The Mobile County Public School System Data Use and Governance Policy is based upon, but not limited to, maintaining compliance with the Family Educational Rights and Privacy Act (FERPA). The Superintendent is authorized to establish, implement, and maintain data use and governance measures. These measures shall include establishing data security classifications; implementing procedural, physical, and electronic security controls; managing external data requests; maintaining records regarding security access, and establishing a Data Governance Committee. The data governance measures will apply to Board employees and all Board operations. In addition, this policy will apply to all individuals who are granted access to data in conjunction with any services that they provide at the request of the Board. Any unauthorized access, use, transfer, or distribution of Board data by an employee, student, or other individual, may result in disciplinary action that may include a recommendation for termination and other legal action.
