In November, Pearl Haskew Elementary School hosted a Career Fair for the entire K-5 school. Over 32 companies and local individuals volunteered their time and expertise to explain their jobs and businesses to students. The occupations ranged from engineers to shipbuilding and law enforcement to local doctors and physical therapists. The students enjoyed learning about soil conservation, forest fires, and chicken hatcheries. In addition, students were given the opportunity to climb aboard a rescue boat and learn about water safety.

Pearl Haskew Elementary School would like to thank all the local businesses and industries that participated with our career fair to make it such a huge success.
