

Pearl Haskew Elementary School
miDevice Parent/Student Guidelines

1. It is the responsibility of the student to maintain proper care of their device. Any damage that occurs to the device will not be the responsibility of the school or school system.
2. Students will bring approved devices at their own risk, just like any other personal item. The school will not be held responsible if an electronic device or other item is lost, stolen, or misplaced. Some devices have a locator, such as Find My iPod/iPhone/iPad; it is recommended that you enable this feature if possible.
3. Devices must be charged at home before coming to school daily. Teachers and school staff are not responsible for charging devices.
4. Students must already be familiar with their device before bringing it to school, including powering the device on or off, setting it on silent mode, accessing Wi-Fi settings, and accessing the internet browser.
5. Teachers and staff will not be responsible for training students to use a personal device.
6. We strongly suggest that all devices have some sort of protective covering to avoid damage if dropped (i.e. case, Otterbox, etc.).
7. Devices must remain powered off in the classroom unless otherwise directed by the teacher during acceptable use times and locations.
8. Haskew Elementary and Mobile County Public Schools are not responsible for the purchase of paid applications for personal devices.
9. Students will not be allowed to share personal devices.
10. Students will only use their devices in approved zones.
11. Posting or transmitting recorded images or video shall be limited to that which is related to school assignments and projects and shall only be done in accordance with the MCPSS Internet Acceptable Use Policy.

Consequences for Violations

- Restriction of device usage or activity (teacher discretion).
- Parent/Teacher/Student conference
- Serious violations will be subject to the MCPSS discipline policy
