## Core Beliefs and Commitments

We believe our primary focus is to educate all students to become productive citizens and we are committed to making that the priority over all other district functions.

We believe all employees are professionals who share in the responsibility for the success of our students and we are committed to recruiting, employing, developing and retaining employees who are effective in leading our district in achieving our mission.

We believe in safe, secure and productive environments for learning and working and we are committed to providing quality and equitable settings that ensure students and employees reach their potential.

We believe the success of our schools is supported by the support and partnership of the community and stakeholders and we are committed to informing and engaging our community through transparency, accountability and communication.
