Grades will return after Report Cards are issued

Parents,

We have temporarily turned off access to the student grades to give teachers time to finalize their grade book for report cards. Sometimes, teachers have to make changes when they enter final grades and the averages may not be correct. In order to prevent issues, we turn off grade viewing until report cards are sent home. Once report cards are sent, you will be able to track your student's grade progress again.

Thank you for your understanding.

Go Green!

Dear Parents!

A new feature of our InformationNOW! Parent Portal, is the Go Green Feature.

This allows any report that is normally sent home (Report Card, Progress Report, Etc.) to instead be made available instantly on the Parent Portal.

Any time a report is run, an e-mail is sent to you to let you know it is available. All you have to do is login to InformationNOW! and view the report!

Sign up today under Settings on the Left-side menu!

This will allow you to see all information regarding the students listed.

If you have any problems logging in, please contact Mrs. Baxter at 221-2344, ext. 66039
OR you may email cbaxter@mcps.com.
