Guidance & Counseling

Karen Williams  
School Counselor

Dear Parents:

Bullying has become an important topic for parents and schools to address. Nationwide bullying has become one of the biggest problems in schools today. Bullying is now understood to be very destructive to the well-being of students, creates unsafe schools and also creates a school climate that hinders learning.

I have been going to all the classrooms this year discussing bullying. I am teaching the students how to determine if conflict is actually bullying behavior or if the conflict is rude/mean behavior. The lessons are designed to create a positive environment where everyone feels safe and accepted. The lessons provide students with information to help them develop self-control and skills to cope with bullying and to become students who take a stand against bullying. The students will learn what to do if they are bullied. The City of Mobile along with the District Attorney, Ashley Rich has taken a stand against bullying with the "Bully Blocker" program.

The faculty and staff at Whitley are committed to having an environment that is positive and promotes student achievement. Together we can have a school that is bully free.

Thank you for your support and for promoting a positive attitude toward our school.

Please read the information on the back about "Bullying Behavior."

Sincerely,

Karen Williams

Dear Parents,

Whitley Elementary is dedicated to your child's success. We have partnered with the Effective Parenting Initiative (EPI) to bring parenting classes to Whitley Elementary to help equip you with tools to help your child be successful in school and in life.

This program is especially designed for parents with elementary and middle school aged students to help you understand the emotional and psychological changes that are happening with your child as he/she transitions into adolescence and puberty and how you can best help him/her to be successful.

Classes will be held here at the school from 6:00 PM-8:00 PM on Thursdays beginning January 19, 2017 and will end on February 23, 2017. Parents who complete all sessions will be entered into a drawing to win a Walmart gift card.

If you are interested, please stop by the front office and sign up!

Sincerely,

JaaDaa S. Holcombe
