Welcome.....Ms. Holcombe

Review of School Mission, Motto, and Pledge.....Ms. Holcombe

Recommendation for Changes

Questions / Comments

Adjournment

**Teach, Enrich, and Motivate**

## Minutes of Committee Meeting

### Review of School Mission, Motto, and Pledge

September 6, 2013

Attendance: on sign in sheet

The members present reviewed the current mission, motto, and pledge for Whitley Elementary School. The committee agreed that the Mission Statement of Whitley Elementary still reflected the purpose we have for our students and parents. The Whitley Whale Pledge still reflected those character traits that we desire to see exhibited in our students. However, with moving into a new school, the committee wanted to adopt a new motto that used the first letter of the name of our school, Isaiah J. Whitley Elementary School. We arrived at the new motto, "Investing Jointly for Well Educated Students". The committee felt that this motto would show that all stakeholders have to be involved for our students to be successful.

The committee members were in agreement on all three pieces.

The committee meeting was adjourned.

Whitley Elementary School
