|    | k. fainted while doing exercise?   | Yes ( ) No ( ) | _____           |
| 2. | DOES THE STUDENT:  |                |                 |
|    | a. take medicine every day?  | Yes ( ) No ( ) | _____           |
|    | b. wear glasses or contact lenses?   | Yes ( ) No ( ) | _____           |
|    | c. wear dental appliances?   | Yes ( ) No ( ) | _____           |
|    | d. wear hearing aids?  | Yes ( ) No ( ) | _____           |
|    | e. have any allergies?   | Yes ( ) No ( ) | _____           |
|    | f. have any chronic illnesses (i.e. diabetes, asthma, seizures)?   | Yes ( ) No ( ) | _____           |
|    | g. have any body parts missing (i.e. kidney, finger)?  | Yes ( ) No ( ) | _____           |
| 3. | HAS THE STUDENT'S MOTHER, FATHER, BROTHER OR SISTERS EVER HAD ANY HEART PROBLEMS BEFORE 50 YEARS OF AGE? | Yes ( ) No ( ) | _____           |
| 4. | HAS ANY PHYSICIAN LIMITED THE STUDENT'S ATHLETIC PARTICIPATION?  | Yes ( ) No ( ) | _____           |
| 5. | HAS THE STUDENT EVER BROKEN A BONE OR HAD A CAST ON THE:   |                |                 |
|    | a. hand?   | Yes ( ) No ( ) | _____           |
|    | b. wrist?  | Yes ( ) No ( ) | _____           |
|    | c. arm?  | Yes ( ) No ( ) | _____           |
|    | d. foot?   | Yes ( ) No ( ) | _____           |
|    | e. ankle?  | Yes ( ) No ( ) | _____           |
|    | f. leg?  | Yes ( ) No ( ) | _____           |
|    | g. other?  | Yes ( ) No ( ) | _____           |
| 6. | IN THE PAST YEAR HAS THE STUDENT BROKEN A BONE WHILE PLAYING SPORTS?                                     | Yes ( ) No ( ) | _____           |
|    |  | Activity       | _____           |

The examination performed for this participation is limited and designed to identify common conditions or infirmities that would limit or prevent a student from participating in athletic activities. This examination is NOT intended to be comprehensive and may not detect some types of latent or hidden medical conditions. All athletes should receive periodic comprehensive medical examinations and prompt treatment for illnesses/injuries.

This is to certify that I have read and understand the above information and hereby give permission and consent to emergency and/or medical treatment for my son ( ), daughter ( ), ward ( ) and that the responses to the preceding questions are correct.

## Monroe Academy Athletics

The following rules are intended to improve the appearance, conduct, and physical well-being of all Monroe Academy athletics. In all cases the Monroe Academy Handbook will be adhered to.

### Appearance:

1. All Monroe Academy athletes are encouraged to dress neatly when attending school function.
2. Monroe Academy athletes will not have facial hair, long hair, or outlandish hairstyles. Hair will be kept neat.
3. Athletes are urged to remove hats when entering a building.

### Conduct:

1. Do what is right.
2. Profanity will not be tolerated.
3. Always be respectful to administration and teachers, as well as other elders.
4. Make every effort to encourage closeness on your team by encouraging teammates. Always be positive in your comments- never criticize a teammate.
5. Sportsmanship will be of utmost importance in all games.
6. Be prompt to all practices, meetings, and school.
7. Do not embarrass Monroe Academy.

### Equipment:

All equipment issued is property of Monroe Academy. You will sign an agreement that states that you will not alter or lost the equipment. Any lost or damaged equipment is your responsibility to replace or reimburse.

### Training Rules:

Any use of drugs, tobacco or alcohol is strictly prohibited. All injured or sick players will attend practice unless excused by the head coach.

**All discipline for infractions of the preceding rules will be handled by the Head coach. A discipline committee will be established for ruling on repeated or serve infractions. The discipline committee will consist of the Athletic Director, Headmaster, and Head Coach of the respective sport in question. The consequences will be determined by the committee.**

**Parents will be notified of any disciplinary action concerning their child.**

**Medical Release Form**

**Alabama Independent School Association**

Federal guidelines under HIPAA now requires a signed release form to be on file before any medical or financial information can be given on the named patient.

**Student/Athlete:** \_\_\_\_\_

Permission to discuss the medical condition of above named patient with the following people is granted for all school related health problems:

- 1). Athletic Director; 2). Coaches; 3). Trainers; 4). School Administration;
- 5). Insurance agent (Planned Benefits services)

**Signed:** \_\_\_\_\_ **Relationship:** \_\_\_\_\_

**Signed:** \_\_\_\_\_ **Relationship:** \_\_\_\_\_

**School:** \_\_\_\_\_

The medical condition of the above named patient is not to be discussed with any person other than the patient and parents or guardians.

**Signed:** \_\_\_\_\_ **Relationship:** \_\_\_\_\_

**Signed:** \_\_\_\_\_ **Relationship:** \_\_\_\_\_

## AISA PARTICIPATION PERMIT

We, the undersigned, have read, discussed and understand the following:

- I. The school agrees to provide:
  - A. Supervision
  - B. Instruction
  - C. Proper Equipment (This includes all equipment or uniforms provided by the participant.)
  - D. A safety orientation program for all participants
  - E. An in-excess, supplemental, scheduled payment insurance policy. Any differences in the basic coverage, deductibles, or other related expenses will be paid by the parent(s) /guardian(s).
  - F. A rules orientation program covering:
    - 1. rules of the sport;
    - 2. rules of behavior, dress and appearance;
    - 3. rules promoting safety and injury prevention;
    - 4. rules regulating conduct, procedures and action following an injury.
  - G. (For local use)
  - H. “
  - I. “

- II. I was given an opportunity to attend a scheduled seminar where the following specific areas were addressed and discussed:

- A. Coaching Techniques
- B. Rules of the game
- C. Injury prevention and safety precaution
- D. Player equipment care and purpose
- E. Physical conditioning
- F. Transportation
- G. Player accountability
- H. School's insurance program
- I. The hazards connected with the use of chemicals (steroids) to enhance performance
- J. The possibility of injury, even serious injury, while participating
- K. (For local use)
- L. “
- M. “

My (son / daughter) has my permission to participated in \_\_\_\_\_ (Sport)

at \_\_\_\_\_ (School).

ALABAMA INDEPENDENT SCHOOL ASSOCIATION  
**Concussion Information Form**  
*(Required by AISA starting with the 2011-12 school year.)*

A concussion is a brain injury and all brain injuries are serious. They are caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even though most concussions are mild, **all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly.** In other words, even a "ding" or a bump on the head can be serious. You cannot see a concussion and most sports concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of concussion yourself, seek medical attention right away.

<b>Symptoms may include one or more of the following:</b>	
<ul style="list-style-type: none"> <li>• Headaches</li> <li>• "Pressure in head"</li> <li>• Nausea or vomiting</li> <li>• Neck pain</li> <li>• Balance problems or dizziness</li> <li>• Blurred, double, or fuzzy vision</li> <li>• Sensitivity to light or noise</li> <li>• Feeling sluggish or slowed down</li> <li>• Feeling foggy or groggy</li> <li>• Drowsiness</li> <li>• Change in sleep patterns</li> </ul>	<ul style="list-style-type: none"> <li>• Amnesia</li> <li>• "Don't feel right"</li> <li>• Fatigue or low energy</li> <li>• Sadness</li> <li>• Nervousness or anxiety</li> <li>• Irritability</li> <li>• More emotional</li> <li>• Confusion</li> <li>• Concentration or memory problems (forgetting game plays)</li> <li>• Repeating the same question/comment</li> </ul>

<b>Signs observed by teammates, parents and coaches include:</b>
<ul style="list-style-type: none"> <li>• Appears dazed</li> <li>• Vacant facial expression</li> <li>• Confused about assignment</li> <li>• Forgets plays</li> <li>• Is unsure of game, score, or opponent</li> <li>• Moves clumsily or displays incoordination</li> <li>• Answers questions slowly</li> <li>• Slurred speech</li> <li>• Shows behavior or personality changes</li> <li>• Can't recall events prior to hit</li> <li>• Can't recall events after hit</li> <li>• Seizures or convulsions</li> <li>• Any change in typical behavior or personality</li> <li>• Loses consciousness</li> </ul>

(Continued on Page 2)

## AISA Concussion Information Form (Page 2)

### What can happen if my child keeps on playing with a concussion or returns too soon?

Athletes with the signs and symptoms of concussion should be removed from play immediately. Continuing to play with the signs and symptoms of a concussion leaves the athlete especially vulnerable to greater injury. There is an increased risk of significant damage from a concussion for a period of time after that concussion occurs, particularly if the athlete suffers another concussion before completely recovering from the first one. This can lead to prolonged recovery, or even to severe brain swelling (second impact syndrome) with devastating and even fatal consequences. It is well known that adolescent or teenage athletes will often fail to report symptoms of injuries. Concussions are no different. As a result, education of administrators, coaches, parents and students is the key to a student-athlete's safety.

**AISA Concussion Policy:** Any student athlete who exhibits signs, symptoms or behaviors consistent with a concussion shall be removed from the contest and shall not return to play until a medical release is issued by a medical doctor.

Any health care professional or AISA coach may identify concussive signs, symptoms or behaviors of a student athlete during any type of athletic activity. Once concussive signs are identified, only a medical doctor can clear an athlete to return to play. Any school in violation of the AISA policy application of the National Federation rule will be subject to sanctions.

### If you think your child has suffered a concussion:

Any athlete even suspected of suffering a concussion should be removed from the game or practice immediately. No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without clearance from a medical doctor. Close observation of the athlete should continue for several hours. You should also inform your child's coach if you think that your child may have a concussion. Remember it's better to miss one game than miss the whole season. And when in doubt, the athlete sits out.

This form is required by Alabama Law established in June, 2011, coinciding with the AISA Concussion Policy in effect since 2010.

**I have reviewed this information on concussions and am aware that a release by a medical doctor is required before a student may return to play under this policy.**
