Before:	Motivational Monday Clock-in	True to you Tuesday Clock-in	Who/Where do you want to be Wednesday Clock-in	Reflection Thursday Clock-in	Finish Friday Clock-in
During:	Introduction to Adobe InDesign. Demonstration of interface, pages layout, creating guidelines, text box, image placement. Students will follow along with demonstration.	InDesign Practice using interface tools, creating pages, creating guidelines, text box, copy and paste text, image placement.	InDesign Project introduction. Students will use previously learned skills to create a layout project from the Creative Workshop book pg. 27. Gridlocked Project	Continue InDesign Project Gridlocked. Students will use the Creative Workshop book for guidelines. Designing a brochure on a juvenile diabetes treatment plan.	Continue InDesign Project Gridlocked. Students will use the Creative Workshop book for guidelines. Designing a brochure on a juvenile diabetes treatment plan.
After:	Equipment shutdown return to cart. Clock-out	Equipment shutdown return to cart. Clock-out	Equipment shutdown return to cart. Clock-out	Equipment shutdown return to cart. Clock-out	Equipment shutdown return to cart. Clock-out
Desired Outcome:	Students will learn how to use InDesign to publish high quality documents across a full spectrum of digital and print media.	Students will learn how to use InDesign to publish high quality documents across a full spectrum of digital and print media.	Students will learn how to use InDesign to publish high quality documents across a full spectrum of digital and print media.	Students will learn how to use InDesign to publish high quality documents across a full spectrum of digital and print media.	Students will learn how to use InDesign to publish high quality documents across a full spectrum of digital and print media.
Formative/ Summative	Assessing students creativity and skills based on performance.	Assessing students creativity and skills based on performance.	Assessing students creativity and skills based on performance.	Assessing students creativity and skills based on performance.	Assessing students creativity and skills based on performance.
Higher Order Questions:	What is InDesign? How is InDesign used to create documents? How is illustrator and photoshop compatible with InDesign?	What is InDesign? How is InDesign used to create documents? How is illustrator and photoshop compatible with InDesign?	What is InDesign? How is InDesign used to create documents? How is illustrator and photoshop compatible with InDesign?	What is InDesign? How is InDesign used to create documents? How is illustrator and photoshop compatible with InDesign?	What is InDesign? How is InDesign used to create documents? How is illustrator and photoshop compatible with InDesign?
