Welcome Back!!!!!!!!!!

I hope your summer was a good one, it defiantly was a hot one. Although we were out of school 4-H was still going strong. Weather it was competing at the Steer and Heifer show or at the District and State level to playing at 4-H camp our 4-Her's stayed active and busy. I am looking forward to this year in 4-H we have a lot of new things planned not only during our monthly 4-H meeting but also to specialized workshop's that will be offered to you. We will continue with our Archery Team this year and I plan on building our Shot Gun and Air Rifle team back up. We will also have volunteers for our judging team and we will be getting started on these in September so our 4-Her's will have plenty of time to learn how to judge and will be ready for competition.

Good luck and I look forward to a lot of participation this year from all of you!!!!

State Competition is only for our senior 4-Her's, which means if you are between the ages of 14 and 18 you are considered a senior 4-Her. This year the competition was held at the 4-H center, not only do you compete but you also have a chance to meet new friends and we always end the day with a social and dance. If you are eligible to go to state this year I hope you will consider competing this year it's a lot of fun and a great experience.

4-Her's who were not able to attend due to illness and work commitments were: Matt Pouncey, Chelsea Kelly, Melissa Sullivan and Brittney Tyson.

Congratulations to all of our 4-Her's to went above and beyond the call of duty this past year.

I am very proud of each of you!!!!

Keep up the great work!!

Aloha from 4-H camp 2010!!

4-H camp is always a fun getaway for our 4-Her's during the summer time, however we're not too far away from home. We stay 3 days and 2 nights at Troy University and we enjoy several activities at Camp Butter and Egg. This year 4-H's camp theme was luau based, to keep with the theme we had water games and a scavenger hunt was added to the activities. We swam both night in the Olympic size pool at Troy University, we rotated out in 3 groups where we got to experience archery, air rifles and crafts. On the second day we went to Camp Butter and Egg where our 4-Her's were free to roam and take advantage of all the activities there, weather it was the 3 ziplines, the 30 foot bungie swing or fishing and canoeing there was something for everyone.

We had 33 4-Her's in attendance this year and they were:

Soobin Park	Stephen Leveque
