

GHS Booster Club Meeting 5/4/2015

The meeting was called to order by Michael Redmon and the minutes were read and approved.

Old Business

Cake Sale

The cake sale is set for the Friday before Mothers' Day and those who are willing to help need to be there by 6:00 that morning. Last count of cakes per Teresa Wares and Sandy Redmon were about 30.

Rib Sale

Joe Wares said all was good to go on the rib sale just need coolers and volunteers to help with the cooking and wrapping. Need a count no later than May 15th so ribs can be ordered.

New Business

Angie Thomas asked the Boosters if they would be willing to help the cheerleaders with the cost of cheer camp in June. It was approved to give each squad \$1,000. With motions made by Valerie Kyzar and Joe Wares.

Other ideas were talked about for fundraising.
