No Old Business.

New Business:

Coach Kinsaul brought up an idea for doing a fundraiser for all athletes through the Baseball Coaches Association. The Boosters would receive 75% of the profit made on this. The tickets would be sold statewide through the Baseball Coaches Association. After much discussion, this motion was voted on and did not pass.

Greg Bryan told the Boosters that the turkey fryers had been purchased and were at Michael Redmon's house.

Jay Kyzar discussed the 2016 Deer Hunt and said that so far there were 8 verbal commitments, 6 from last year and 2 new ones. He asked for a budget of around 800.00 for advertising. This motion was approved. Jay also mentioned that land owners were needed and to please contact him if anyone would be interested in helping with this.

Valerie Kyzar told that the audit was done for last year and that she has been advised by the accountant to disclose the monthly checking account balance and each meeting and to set up a monthly budget. There is a link on the GHS website where this information can be viewed.

Bart Snyder asked for a budget of around 2,000.00 to purchase hats and shirts for the coached that help with all the sports. This motion was passed and approved.

Bart Snyder then asked for approval for a TV to have in the gym to view games. He is going to research more but got an approval for 1500.00 or less for a TV>

On Friday night home games, there will be a membership drive.

Meeting Adjourned.
