HUNT HIGHLIGHTS

- We are only offering a limited number of hunts. Our goal is to provide personal attention with maximum opportunities for our hunters.
- The hunt is semi-guided. Your Host/Guides will be local landowners who know their property and their deer.
- You will be allowed to shoot a maximum of two does and one buck during your entire hunt. Each landowner will set the size requirement for bucks taken on their property.
- Cleaning and cold storage of venison is provided.
- The hunter must provide container/cooler for transporting of venison.
- A guest hunter is anyone sitting in the same stand with a regular hunter who pays full price for their hunt. This could be a youth, spouse, friend, etc.
- The regular hunter and the guest hunter are allowed to kill one buck and two doe cumulatively for the entire hunt.
- SAFETY is our #1 concern!
