

GHS Sports Boosters Meeting 9-20-16

The GHS Sports Boosters met on September 20, 2016. In attendance were:

Bart & Stephanie Snyder, Jay Kyzar, Christi Danner, Robby Kinsaul, Dan Freeman, Michael & Sandy Redmon, Jack & Pebley Williams, Greg Bryan, Belinda Rushing, Lee Vardaman.

The minutes from the 7-28-16 meeting were read and approved.

Financial Reports from EOM August were distributed to all in attendance. Valerie Kyzar sent word with Stephanie Snyder that the balance in the checking account on 9/20/16 is \$19,687.22. Of this amount \$883.67 is allocated to Dixie Boys.

Old Business:

NONE

New Business:

- 1) Deer Hunt – Jay Kyzar reminded everyone of the dates for the 3rd annual deer hunt. The hunt will be Jan 13-15, 2017. Jay said the guides, landowners, clean team, and cook team are all lined up. 9 hunters from last year have already confirmed they are returning this year. Jay hopes to save on the cost of advertising this year. He will give the hunters until mid-October to confirm if they are coming back. If we are not full by then he will run the ad for this year.
- 2) Stephanie Snyder brought a motion before the group to purchase Wall of Fame posters to hang in the New Gym lobby of all Varsity teams for this year. We will ask ABC Photography to print them at \$50 each. This will cost \$350. Jay 2nd the motion & all approved
- 3) Michael Redmon reminded everyone it was time to do the Turkey Fry sale again. Everyone requested this year that we pre-sale the turkeys before we make the order and that we only try to do this at Thanksgiving and not Christmas too. Coach Snyder & Coach Kinsaul said they will request all athletes to sell at least 1 turkey. Athletes and Booster Club members will pre-sale turkeys until October 21st and then Michael Redmon will place the order for the turkeys. Stephanie Snyder will print the tickets.
- 4) Coach Snyder told the Booster Club about the need to refinish the gym floor. He said they have gotten 2 quotes from vendors who can professionally resurface the floor. The total cost is approximately \$3000. The Athletic Depts will cover part of the cost, the school general fund will cover part of the cost and Coach Snyder asked if the Booster Club could cover part of the cost at \$800 to \$1000. There was much discussion on this being the responsibility of the Pike County Schools Maintenance Budget to cover this

expense, but a motion was finally made by Jay Kyzar to donate \$800 towards this project if the other entities (athletic teams and school general fund) will also pay their portion. 2nd by Pebley Williams and all approved.

- 5) Michael Redmon brought a special request before the Booster Club members and asked the coaches to please leave. Michael said that Mr Lane had asked if the Booster Club could cover the cost of Robby Kinsaul's 10th month of his 10-month contract. In the past the school general fund or stadium fund had covered this expense. After several projects that were done over the summer the school general fund did not have the money to cover this expense.
 - a. Special Note – Michael said that Valerie Kyzar had called Jennifer Hornsby (PCBOE CFO) to make sure this is legal. Jennifer Hornsby said it could be done, but she does not recommend doing it because of the precedence it sets. She said she will talk with Dr Bazzell and get back with Valerie. As of the meeting Valerie had not heard back from Jennifer Hornsby.

Michael made the recommendation that everyone think about the situation and we will vote on it at the next meeting when we have an opinion from Dr. Bazzell.

- 6) Michael Redmon reported that Mr. May's father passed away over the weekend and he just learned that Mr Lane's mother passed away over the summer. Michael made the recommendation that the Booster Club make a monetary donation to the Hadley May Foundation for Childhood Cancer (5634 County Rd 6618 Banks, AL 36005) in their memory (Memory of Kenneth May and Mrs. Florilla King). Jay Kyzar recommended the amount of \$100. 2nd by Pebley Williams – all approved.

Meeting adjourned.
