

# Staff Survey May 2016

STANDARD 5: Using Results for Continuous Improvement

## 5.2 Indicator

Standard 5 states the school implements a comprehensive assessment system that generates a range of data about student learning and school effectiveness and uses the results to guide continuous improvement. For indicator 5.2, professional and support staff continuously collects, analyzes, and applies learning from a range of data sources, including comparison and trend data about student learning, instruction, program evaluation, and organizational conditions at SES. According to the survey results, the average score for this indicator was 4.63 in May 2016 and increased to an average score of 4.66 in December 2016. Therefore, staff members believe the school has achieved this indicator.
