Introduction

All Title I Schoolwide and Targeted Assistance Schools must complete the following diagnostics: the Stakeholder Feedback Diagnostic, the Parent Involvement Diagnostic, the Coordination of Resource/Comprehensive Budget Diagnostic, and EITHER the Title I Targeted Assistance Diagnostic OR the Title I Schoolwide Diagnostic. Parent Survey must be done annually, but it can be done electronically or by paper.

Strategies to Increase Parental Involvement

1. Describe how the school will convene an annual meeting to inform parents of the school's participation in Title I and explain Title I requirements, including the 1% set-aside, and the right of parents involved.

Annual Title I Meeting

An annual Title I meeting will be conducted at the beginning of each academic year. Parents and teachers will be given information regarding the requirements of being a Title I school and participation in the program.

1% of the system's allocation will be designated to parental involvement. We have decided as a system to designate these funds for a parental involvement coordinator.

Additionally, all parents are entitled to a "right to know" which gives them the opportunity to learn of their child's teacher's certifications.

2. Describe: 1) How there will be a flexible number and format of parent meetings offered; 2) How parents will be involved in the planning, review and improvement of the Title I Program (Note: State the school's process for how all Title I parents have the opportunity for involvement in decision-making.); and 3) How funds allocated for parent involvement are being used in the school.

Ashville Middle School will have two Title I meetings in order to be more flexible with parent schedules and with the intent to increase parental involvement. We will have meeting before school at 7:15 am and one in the afternoon after school at 5:30 pm. We will advertise these meetings the following ways: Email, parent callout using School Messenger, post on the sign in front of the school, school website and the school newsletter. During these meetings, parents will be allowed to assist in the planning of the CIP as well as give input on how the Title I funds will be used. The district will also host a Title I set aside meeting inviting parent to give input on the distribution of the district Title I funds.

3. Describe how the school provides parents of participating children timely information in a uniform format and, to the extent practicable in a language they can understand, about programs under Title I, a description and explanation of the curriculum in use, forms of academic assessments, and achievement expectations used, and, if requested by parents, opportunities for regular meetings to formulate suggestions and participate as appropriate in decisions related to the education of their children.

Translators are funded through local monies and are used to communicate with parents and students when necessary as well as TransACT which translates teacher communication in writing to parents. The school also provides all forms in Spanish as well as the School-Parent Compact. The school works closely with the EL teacher in providing parents with information that is needed.

4. Describe how parents, the school staff, and students share responsibility for improved student academic achievement for participating students (How the School-Parent Compact is jointly developed with Title I parents; how it is used, reviewed, and updated).

A committee was develop to review and revise the School-Parent Compact before school started.. The committee consisted of teachers, parents and administrator. The School-Parent Compact is distributed at the beginning of each school year. Mariola Roberts(school translator)

translated the School Parent compact into Spanish for our non-English speaking parents. The system requires to have the document signed by a parent, student and teacher, and returned to the school. It serves as a periodic reminder of all stakeholders responsibilities. The School-Parent compact is discussed during the annual Title I meeting. The parents are encouraged to provide feedback.

5. Describe procedures to allow parents to submit comments of dissatisfaction with the Continuous Improvement Plan.

Should a parent wish to comment or express concerns or recommendations regarding the Continuous Improvement plan he/she should feel free to contact the principal or any committee member and arrange a time to discuss the concerns. If the parent is not satisfied with the results from the meeting he/she may notify the principal in writing within 5 days of the meeting. A meeting between the parent and the remainder of the available committee members may be convened to address the concerns. If the parent is still not satisfied he/she may submit their concerns to the Federal Programs Coordinator. The FP Coordinator will forward concerns to the Federal Programs Section at the SDE.
