August 3rd- Orientation 2:00 – 7:00 pm (Meetings for 5th grade students and parents at 2:00 and 5:30) Please be prepared to pay all fees.

These supplies are expendable and will need to be replenished.

Thank you for having these supplies by the first day of school. This will allow for little waste in your child's education time. Over the summer, please have your child **read daily** and **practice multiplication tables** to keep them ahead of the game. In order for your child to be successful in math, he/she must memorize their multiplication facts. Please get some flash cards and practice daily. We look forward to having your child as a student for the 2017-2018 school year.
