Dear Parent of an MES second grader:

DVDs of the second grade program are ready for purchase. The cost is \$10. Please make checks payable to Moody Elementary and make sure to include a phone number so there is no delay in getting your DVD. I am also including a CD of just the slideshow which should work on computers (it takes a few minutes for mine to read it). I was very proud of our students and hope that they have learned not only words to songs, but the meaning behind those words. I also hope that they have learned a bit more about the veterans in their own families. Please return the bottom portion of this form to me (Mrs. McCombs). I will be at Moody Middle School next week, but will come by the elementary school to check the orders. Thank you for your support of our fine arts programs here at MES!
