Car Riders

We know that the car rider line presents a challenge for everyone involved. Please be patient as everyone gets the hang of things and figures out how everything functions. Remember that it is the first time lots of our parents have been in the car line. We have almost 100 new Pre-K students and over 200 new Kindergarten students this year. Also remember that teachers enter through the car rider lane to park. If you see a teacher they should have a yellow sign in their dash that says "MES Staff". Please allow them to move past you and the car rider traffic to get inside the parking lot.

Bus Riders

If your child is a bus rider please remember that someone will need to be present at the bus stop to get MES children off the bus each day. MES students are not allowed to get off the bus without an adult present. If there is an older sibling that you as a parent trust to get them off the bus, you must send a note to the bus driver to let them know that. Safety is always our main concern!

MES Monthly Minute

We will have a casual conversation time posted on our website and Facebook page beginning on the first Friday of each month. During this time you will have the opportunity to listen to key people in the school and also learn about procedures and events happening at your child's school.
