CIP

Each year our school team, along with several parents and community members, work to develop a plan for improvement. The team analyzes data from standardized assessments including DIBEL's and Scantron and parent and staff surveys. All of the data is used to determine the school's strengths and weaknesses. From there the team develops a plan to improve in those areas that need to be addressed. After this year's CIP is finalized it will be on the school's website along with a summary for your viewing.

Thanksgiving Feast

We will be hosting a Thanksgiving feast in our lunchroom for each grade level. You should have received a note home this week with the information concerning each grade's feast and the cost. If you are interested in coming to enjoy the feast with your child please detach the order form at the bottom of the note and send it along with your payment in an envelope to your child's teacher. All feast plates must be preordered by November 6. You will receive your ticket(s) after your payment is received. All visitors must have a color coded ticket to attend their child's feast. (PreK will not be participating in the daily lunchroom feast. Your child's PreK teacher will be sending home more information concerning specific classroom activities.)
