Overview

Plan Name

NSJHS Alabama Technology Plan: Transform 2020 2015-2016

Plan Description

North Sumter Jr. High School Students will take advantage of opportunities for professional development in the use of technologies that will enhance teacher effectiveness, student achievement, and instructional management.

Goals Summary

The following is a summary of the goals encompassed in this plan. The details for each goal are available in the next section.

#	Goal Name	Goal Details	Goal Type	Total Funding
1	All students at North Sumter Jr. High School will be engaged and empowered learners through the use of technology.	Objectives: 1 Strategies: 1 Activities: 1	Organizational	\$0
2	All teachers at North Sumter Jr. High School will take advantage of opportunities for Professional Development training in the area of technology.	Objectives: 1 Strategies: 1 Activities: 2	Organizational	\$0
3	All teachers will assist in improving student performance, have access to any curricular materials and resources that support the use of technology in teaching, in learning, and instructional management.	Objectives: 1 Strategies: 1 Activities: 1	Organizational	\$0
4	Effective use of Technology Funding and Resources	Objectives: 1 Strategies: 1 Activities: 1	Organizational	\$7163
5	Public Awareness	Objectives: 1 Strategies: 1 Activities: 1	Organizational	\$0

Goal 1: All students at North Sumter Jr. High School will be engaged and empowered learners through the use of technology.

Measurable Objective 1:

demonstrate a proficiency in the use of handheld devices to access and retrieve information by 05/02/2014 as measured by classroom observation through student engagement.

Strategy 1:

Modeling - Teachers will model during instruction on how handheld devices can be utilized in the classroom. Next whole group instruction will be used to demonstrate and finally each individual student will be observed demonstrating what has been taught.

Category:

Research Cited: Teacher Modeling : I do, we do, you do

Activity - Monitor Proficiency	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Students will be monitored on their ability to use handheld devices to access and retrieve information	Technology	01/24/2014	05/20/2016	\$0	No Funding Required	Teacher, Instructional Leadership team, and principal

Goal 2: All teachers at North Sumter Jr. High School will take advantage of opportunities for Professional Development training in the area of technology.

Measurable Objective 1:

demonstrate a behavior that will provide opportunities for professional development in the use of technologies that will enhance teacher effectiveness, student achievement, and instructional management by 12/18/2015 as measured by agendas and sign in sheets from trainings provided by the district's Technology Coordinator..

Strategy 1:

Provide Training and Support - Provide training and support strategies to ensure that the staff has the appropriate competencies and continuous support needed to use educational technology to deliver and support instruction.

Category: Develop/Implement Professional Learning and Support

Activity - Build School Technology Support Teams	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
--	---------------	------------	----------	-------------------	-------------------	-------------------

All teachers will be members on the Technology Support Team to assist and support each other as well as demonstrate the use of various technologies utilize throughout the school.	Technology	08/17/2015	05/27/2016	\$0	No Funding Required	School Staff
Activity - Develop school technology plans, including professional development	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
All teachers will complete a survey on the use of technology in their classrooms and use the data for input on developing the school's technology plan.	Technology	08/07/2015	10/30/2015	\$0	No Funding Required	Administrative Staff, K-8 Teachers, and parent/student representatives

Goal 3: All teachers will assist in improving student performance, have access to any curricular materials and resources that support the use of technology in teaching, in learning, and instructional management.

Measurable Objective 1:

demonstrate a behavior that shows the intergration of technology and learning by 05/27/2016 as measured by student use of the school's computer lab for instructional purposes and assessments, teacher use of available technology within their classrooms, the computers in the school's library.

Strategy 1:

Integrate technology with state and district content standards to help attain high academeic achievement - Teachers will use district and state websites to obtain content standards/skills that are assessed on state mandated assessments in order to help attain high academic achievement.

Category: Develop/Implement Learning Supports

Activity - Provide learning opportunities for students	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Provide oppourtunities for students to apply state of the art technology to critical thinking, communications, data collection and analysis, and problem solving.	Academic Support Program	08/17/2015	04/29/2016	\$0	No Funding Required	District, Technology Support Team, and Teachers

Goal 4: Effective use of Technology Funding and Resources

Measurable Objective 1:

collaborate to develop a funding schedule for the technology infrastructure: maintenance support upgrading, expansion and addition of new technologies by 05/06/2016 as measured by agendas, sign in sheets, and minutes of meetings by the school's Technology Team and input from the school's faculty and staff .

Strategy 1:

Develop a funding Schedule - The school's Technology Team will develop a funding schedule that is based on the technology infrastructure as it relates to maintenance, upgrading, and expanding the use of new technologies throughout the school.

Category: Align Fiscal Resources

Activity - Develop a funding Schedule	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
The Technology Team will list/research funding sources and discuss ways on how to match monies with the allotted amount in the school's technology budget.	Technology	08/07/2015	03/25/2016	\$7163	State Funds	Technology Team Members, Teachers, and Technology Coordinator

Goal 5: Public Awareness

Measurable Objective 1:

collaborate to foster community and parent motivation for student achievement through the use of educational technology by 05/20/2016 as measured by attendance of trainings, workshops, agendas, sign-in sheets, surveys and other means of effective communication for getting parents involved..

Strategy 1:

Parent Workshops - Workshops will be provided for parents at school to increase parent awareness of technology by constructing school homepage to provide access to current, effective, and informative educational resources and maintaining school homepage with current information concerning students, faculty, and programs.

Category: Develop/Implement Learning Supports

Activity - Technology Workshops	Activity Type	Begin Date	End Date	Resource Assigned	Source Of Funding	Staff Responsible
Provide parent technology workshops to help develop school home page and provide and enforce acceptable use of policy in the utilization of school technology.	Parent Involvement	08/17/2015	06/24/2016	\$0	No Funding Required	School Technology Team, District Technology Coordinator, and Principal

Activity Summary by Funding Source

Below is a breakdown of your activities by funding source

State Funds

Activity Name	Activity Description	Activity Type	Begin Date	End Date	Resource Assigned	Staff Responsible
Develop a funding Schedule	The Technology Team will list/research funding sources and discuss ways on how to match monies with the allotted amount in the school's technology budget.	Technology	08/07/2015	03/25/2016	\$7163	Technology Team Members, Teachers, and Technology Coordinator
Total					\$7163	

No Funding Required

Activity Name	Activity Description	Activity Type	Begin Date	End Date	Resource Assigned	Staff Responsible
Build School Technology Support Teams	All teachers will be members on the Technology Support Team to assist and support each other as well as demonstrate the use of various technologies utilize throughout the school.	Technology	08/17/2015	05/27/2016	\$0	School Staff
Technology Workshops	Provide parent technology workshops to help develop school home page and provide and enforce acceptable use of policy in the utilization of school technology.	Parent Involvement	08/17/2015	06/24/2016	\$0	School Technology Team, District Technology Coordinator, and Principal
