

100th Day Activities

The hundredth day of school is on Tuesday, January 26th. We will have some special 100th day activities.

In preparation, I am asking each student to create a shirt with "100 things." Some ideas include: buttons, stickers, dots,

pictures, beads, candies, etc. Be creative, and wear it to school on Tuesday, January 26th. I will take lots of pictures!

Can't wait.
