Also, your child may have snack in my room at 2:15. You may choose to send it daily or you may send it for the week if you like. I have a full kitchen and can put their names on it and keep it for them. That is your preference. Students are not allowed carbonated drinks and I would like the snacks not to include candy bars or lots of sugary snacks. I know all children have favorites, just send them what you know they like.

Thank you!!
