Hewitt-Trussville Middle School
2017-18 8th Grade Required Reading Order Form

The following will be used during 8th grade English class and are available to order:

***The Looking Glass Wars* by Frank Beddor, Penguin Young Readers Group, 2007, ISBN 9780142409411.** You know the myth... A little girl named Alice tumbled down a rabbit hole and proceeded to have a charming adventure in the delightful, made-up world of Wonderland... Now discover the truth! Alyss Heart, heir to the Wonderland throne, was forced to flee through the Pool of Tears after a bloody coup staged by her murderous aunt Redd. Lost and alone in Victorian London, Alyss is befriended by an aspiring author to whom she tells the surreal, violent, heartbreaking story of her young life. Alyss had trusted Lewis Carroll to tell the truth so that someone, somewhere would find her and bring her home. But Carroll had gotten it all wrong. He even misspelled her name! If not for Royal Bodyguard Hatter Madigan's nonstop search to locate the lost princess, Alyss may have become just another society woman sipping tea in a too-tight bodice instead of returning to Wonderland to fight Redd for her rightful place as the Queen of Hearts.

***A Midsummer Night's Dream (No Fear Shakespeare Series)* by Sparknotes, Spark, 2003, ISBN 9781586638481.** No Fear Shakespeare gives you the complete text of *A Midsummer Night's Dream* on the left-hand page, side-by-side with an easy-to-understand translation on the right. Each No Fear Shakespeare contains the complete text of the original play, a line-by-line translation that puts Shakespeare into everyday language, a complete list of characters with descriptions, and plenty of helpful commentary

***Dr. Jekyll and Mr. Hyde* by Robert Louis Stevenson, Penguin Publishing, 2012, ISBN 9780451532251.** Robert Louis Stevenson's masterpiece of the duality of good and evil in man's nature sprang from the darkest recesses of his own unconscious—during a nightmare from which his wife awakened him, alerted by his screams. More than a hundred years later, this tale of the mild-mannered Dr. Jekyll and the drug that unleashes his evil, inner persona—the loathsome, twisted Mr. Hyde—has lost none of its ability to shock. Its realistic police-style narrative chillingly relates Jekyll's desperation as Hyde gains control of his soul—and gives voice to our own fears of the violence and evil within us. Written before Freud's naming of the ego and the id, Stevenson's enduring classic demonstrates a remarkable understanding of the personality's inner conflicts—and remains the irresistibly terrifying stuff of our worst nightmares.

***The Tell-Tale Heart and Other Writings* by Edgar Allan Poe, Random House Publishing Group, 1983, ISBN 9780553212280.** Edgar Allan Poe remains the unsurpassed master of works of mystery and madness in this outstanding collection of Poe's prose and poetry are sixteen of his finest tales, including "The Tell-Tale Heart", "The Murders in the Rue Morgue", "The Fall of the House of Usher," "The Pit and the Pendulum," "William Wilson," "The Black Cat," "The Cask of Amontillado," and "Eleonora". Here too is a major selection of what Poe characterized as the passion of his life, his poems - "The Raven," "Annabel Lee," "Ulalume," "Lenore," "The Bells," and more, plus his glorious prose poem "Silence - A Fable" and only full-length novel, *The Narrative of Arthur Gordon Pym*.
