### Wish List for Classroom

*This year we will have a project-based learning focus in our classrooms. In order for our projects to be successful we will need art supplies, such as construction paper, paint brushes, paint and other miscellaneous items. Rather than asking parents to purchase individual items, we are asking for gift card donations to the stores where these items can be purchased. This will insure that we have the specific items and quantity that we need. Gift cards to Lakeshore, Sam's Club, Walmart or Michael's would be greatly appreciated!*

*We will also be sending home a quarterly supply list of more specific items that we are in need of to complete these projects.*

\*Each student will have their own pencil box with their supplies. This will allow for personal responsibility. Please do not label supplies other than the pencil box. Extra supplies are appreciated for students in need.
