Superintendent Raquel Burton informs the board and public the options the District has for the upcoming school year on configuration. The three options are to keep the configuration the same, have an Elementary campus and a Middle School campus or close one campus down. Board President Monica Timberlake explains the configuration the District currently has and the reason behind it. Each Board member addressed the public and then opened it up to the public for questions and comments. Christina Carter then gave the District another option to consider which is to have a K-2 combo 3-4 combo, 5-6 combo and 7-8 combo on both campus's. Push higher kids and assist lower kids with remediation. Will have a total of eight teachers, have more funds to hire instructional aides to help in the classrooms. Superintendent Burton then gave another option to the board to consider. Have an AM and PM Kinder class with one teacher. The teacher will then travel to both campuses. Have 1-2 combo, 3-4 combo, 5-6 combo and a 7/8 combo at both campuses.
