Issue 21

MESSAGE FROM THE PRINCIPAL

Dear Oak Run Elementary School Families,

We are looking forward to a double session of **Saturday school tomorrow, February 8** from 8:00 am to 4:00 pm, with free breakfast and lunch at 8:00 and 12:30 pm. Miss Anne will be the teacher-in-charge and the class will be held in room 4. Miss Anne will be making hot breakfast and serving up lunch for all who attend.

Last Saturday, students made up **20 attendance days** with Ms. Anne! Thank you families, students and Ms. Anne for your help and dedication. By working together we can improve our numbers and save our funding.

We will hold Saturday school every Saturday through March 21.

All three of our credentialed teachers have offered to work in rotation for these make-up days. *Please note that bussing services are not available for Saturday school.*

If your child has missed **any** days of school, and you would like them to participate in our Saturday school sessions, please contact the office or myself to save your spot. Please call or stop by if you have questions about our funding situation or Saturday school.

Thank you all in advance for your help!

Parent Involvement: All parents and community members are welcome to attend our monthly Board Meetings and School Site Council/District Advisory Committee meetings. Meetings are held on the 2nd Wednesday of the month in the ORESD Office. Our next regular board meeting is scheduled for Wednesday, February 12 and our School Site Council/District Advisory Committee will meet Wednesday, February 19 at 3:00 PM. Both meetings are held in the ORESD Office.

Community Involvement: Oak Run Community Newsletter (formally known as the Acorn) is seeking business owners to purchase advertisement space. Please contact Cindy Shaw for more info or to place an ad!

Preschool News

Ms. Lisa's Class
Week of February 3, 2020

Let's go fly a kite!

The wind was blustery this week and students were inspired to create kites using a variety of materials from our recycle tubs. Testing their kites was the most fun!

Mr. Adam's TK- 2nd Grade Class

MONTESSORI
FOR ALL

Ms. Anne's 3rd-5th Grade Class
Upper Elementary

Greetings from Upper Elementary!

Ask your child:

How do you find points on a graph (or coordinate plane)?

Have you started multiplying with multiple digits yet?

Have you written some rhymes or poems?

Can you sing "Acute Angle?" And "Do You Know The Vertebrates?"

What happened in the story of the Boy Who Cried Wolf?

~Ms. Anne

Ms. Zollars' 6th-8th Grade Class

Middle School CLASSROOM NEWS

Dear Families,

The highlight of my week was our "Virtual Field Trip" on the Manhattan Project (atomic bomb) hosted by <https://www.nationalww2museum.org>

The majority of my students rated it a 4 out of 4! We prepared by reading in depth about the history, seeing short video clips, and analyzing written excerpts of worker interviews. The virtual field trip was a live internet feed showing the 3 main historical sites in Tennessee, New Mexico, and Washington state, and atomic museums for each. They also took student polls and questions. It dovetailed nicely with our recent study of atoms and elements.

In addition, students have been sharing their 1960s essays on such topics as the moon landing, the Vietnam War, the American Nazi Party, the Cold War, Bay of Pigs, and the popularity of cigarettes at that time. We continue analyzing *The Outsiders*, set in the 1960s. We're learning to quote critical phrases that support our statements. Math, the mythology of Rome, and the interaction of elements rounded out our week.

I have to thank my daughter Grace for supervising Monday morning while I attended training on our new library system (coming soon to our beloved school!). She introduced a lesson on career exploration, in which each student investigated 2 potential careers based on their interest inventory.

Finally, students voted on having a Valentine exchange next Friday the 14th. Please allow your student to bring a friendly note or Valentine for each student that day. We have 14 students.

Best wishes to all of you. Always contact me with any concerns,

Michele Zollars

LIBRARY

Library in Progress!

Over the past few weeks, work has begun revamping the Oak Run School library. We have registered with an online cataloging system, so students will be able to search for any book we own online. We have a new scanner and barcode system so that every book will be easy for students to check in and out. Work is under way to reorganize what books are in the library and also to order new, up-to-date fiction and non-fiction titles. We are excited to get things up and running for students to use by the end of the year.

~Hope Zollars

OAK RUN ELEMENTARY

A Public Montessori School

Our preschool is under Title V regulations with the state preschool program code of education

Oak Seed Preschool

Currently - must be 3 on or before September, 2018

Next year - must be 3 on or before December 2, 2019

Is now accepting

Private pay - must fill out paperwork, but not income eligibility info - can start as soon as age 3-

Enrollment applications

Title 22 - sliding scale/Full pay Student must be 3 to start/can start any time during the school year as long as they are 3 and potty independent

for the 2019-2020

school year!

Apply online at

www.shastacoe.org

or

ATTENTION 4th GRADE PARENTS

HOME

HOW IT WORKS

GET YOUR PASS

PLAN A TRIP

Rules and instructions

Official rules

- The pass is for U.S. fourth-grade (or home-school equivalent) students.
- The pass is for the 2019 to 2020 school year. It expires August 31, 2020.
- Students can't transfer the pass to anyone else.
- We can't accept electronic versions of this paper for access or to exchange for a pass.
- No refunds are given for previously purchased passes, or if you forget your pass when you visit.
- If you lose your pass, get a new one by visiting the website and signing up again.
- Educators can get one paper pass for each of their fourth-grade students.
- This program only provides passes for fourth graders.

How it works

- Show your pass to a ranger when you enter. If there is no ranger, leave it on the dashboard of your car.
- If you visit a site that charges entrance fees per person— The pass admits all children under 16 and up to three adults for free.
- If your group visits a site that charges vehicle entrance fees - The pass admits all children under 16 and all adults in up to one passenger vehicle. Commercial vehicles can't use a pass to get in.
- If you arrive at a site on bicycle— The pass admits all children under 16 and up to three adults on bicycles.
- The pass doesn't cover things like parking fees, camping, boats, and special tours. Also, some sites are managed by private operators. They may not honor the pass. Check with the site ahead of time to find out.
- The pass doesn't cover fees for local, city, or state parks and recreation areas unless they say that they accept this pass.
- Paper passes can be exchanged for plastic passes at certain sites.

Did you know that fourth graders, who participate in the Every Kid Outdoors program, are eligible for a free Christmas tree permit? The Every Kid Outdoors program introduces 4th graders to the public lands in their own backyards and beyond. To receive a free Christmas tree permit, 4th graders with the help of their parents, need to visit the website www.everykidoutdoors.gov and follow the steps to obtain their pass. Once complete, they can download and print their pass.

Teachers may also visit the website and download lesson plans to complete with their 4th grade students and print passes for them. Fourth graders must then accompany a parent to any Shasta-Trinity National Forest office in order to receive their free Christmas Tree permit.

Permits may be purchased through mail or by going to the Shasta-Trinity National Forest Headquarters off of Avtech Parkway, Shasta Lake Ranger Station in Mountain Gate, Mt. Shasta Ranger Station, McCloud Ranger Station Weaverville Ranger Station, Harrison Gulch Ranger Station, and Hayfork Ranger Station.

Please go to www.fs.usda.gov/stnf for more information or call (530) 226-2500.

INTERESTING FACT: Did you know that the Christmas Tree that will be placed at the Sacramento Capitol came out of the Shasta County from the Latour Mountain Demonstration Forest (located between Shingletown and Whitmore). [Article link](#)

ATTEND TO ACHIEVE

ABSENCES ADD UP

Did You Know?

Starting in Kindergarten, too many absences can cause children to fall behind in school.

Missing 10% (18 days) can make it harder to learn key skills, like reading.

Absences can affect the whole classroom.

What You Can Do

Don't let your child stay home unless he/she is truly sick. Keep in mind that complaints of tummy aches may be a sign of anxiety; talk to your child's teacher or counselor.

Avoid extended trips when school is in session; consult the school calendar to see when breaks occur.

Set up a regular bedtime as well as morning and evening routines.

When Do Absences Become a Problem?

Chronic absence: Two or more days per month (excused and unexcused)

Warning Signs: One-two days per month or more than three days in a row.

Satisfactory: One or fewer absences per month.

"EVERY STUDENT, EVERY OPTION"

New CDE Mobile App Helps Families Find Summer and Afterschool Meal Program Locations

THE CDE'S CA MEALS FOR KIDS HAS JUST RELEASED A MOBILE APP THAT ALLOWS USERS TO FIND THE CALIFORNIA'S SUMMER AND AFTERSCHOOL MEAL PROGRAMS SITES IN THEIR COMMUNITIES. THESE PROGRAMS PROVIDE NO-COST MEALS TO CHILDREN AGED EIGHTEEN AND UNDER. FAMILIES, COMMUNITY MEMBERS, AND SCHOOL PERSONNEL CAN USE LOCATION-BASED SEARCHES TO FIND MEAL SITES, DATES, AND TIMES. THE APP ALSO ALLOWS FOR SEARCHES BY SITE NAME, ZIP CODE, AND CITY.

The CA Meals for Kids mobile app is available for free download through Apple's [App Store](#), Google's [Play Store](#), and Microsoft's [App Store](#) Web pages. More information is available on the CDE [CA Meals for Kids Mobile Application](#) support Web page.

QUESTIONS: CDE MOBILE APPS | CDEMOBILE@CDE.CA.GOV

ATTENDANCE in the early grades

Many of our youngest students miss 10 percent of the school year—about 18 days a year or just two days every month. Chronic absenteeism in kindergarten, and even preK, can predict lower test scores, poor attendance and retention in later grades, especially if the problem persists for more than a year. Do you know how many young children are chronically absent in your school or community?

Who Is Affected

Kindergarten and 1st grade classes often have absenteeism rates as high as those in high school. Many of these absences are excused, but they still add up to lost time in the classroom.

1 in 10 kids

in kindergarten and 1st grade are chronically absent. In some schools, it's as high as 1 in 4.¹

2 in 10 low-income kids miss too much school. They're also more likely to suffer academically.²

2.5 in 10 homeless kids are chronically absent.³

4 in 10 transient kids miss too much school when families move.³

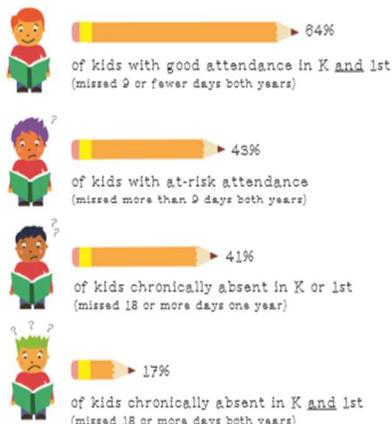

Why It Matters

If children don't show up for school regularly, they miss out on fundamental reading and math skills and the chance to build a habit of good attendance that will carry them into college and careers.

Preliminary data from a California study found that children who were chronically absent in kindergarten and 1st grade were far less likely to read proficiently at the end of 3rd grade.

Who Can Read on Grade Level After 3rd Grade?³

What We Can Do

Engage Families

Many parents and students don't realize how quickly early absences can add up to academic trouble. Community members and teachers can educate families and build a culture of attendance through early outreach, incentives and attention to data.

Fix Transportation

The lack of a reliable car, or simply missing the school bus, can mean some students don't make it to class. Schools, transit agencies and community partners can organize car pools, supply bus passes or find other ways to get kids to school.

Address Health Needs

Health concerns, particularly asthma and dental problems, are among the leading reasons students miss school in the early grades. Schools and medical professionals can work together to give children and families health care and advice.

Track the Right Data

Schools too often overlook chronic absence because they track average attendance or unexcused absences, not how many kids miss too many days for any reason. Attendance Works has free data-tracking tools.

These are a few steps that communities and schools can take. How do you think you can help?
