NAME OF APPLICANT: [Click here to enter text.](#)

DATE: [Click here to enter a date.](#)

The autobiography should give insight into you as a person – your educational and vocational goals, your reasons for attending college. You may include any interesting, unusual or goal-shaping incidents that have occurred during your lifetime. Outstanding accomplishments in terms of research, honors, prizes, certificates and publications may be included; however, do not merely give long listings of extra-curricular activities. You may include a description of how you spend your “free time” – time that is not spent studying and reading. If you have an interesting or unusual hobby or part-time job, you may include a description of it. The committee is interested in knowing you more personally. Any introduction you can provide through your autobiography will be of interest to the committee and will be to your benefit. The autobiography should be written in narrative form and should be no less than 250 words. *Use additional pages if necessary.*
