

How Long Is It?

The meter is the standard unit of measurement when measuring the length of an object or the distance between two objects. Label each picture below with the name of the unit that would be used to measure the objects in the pictures below. You should choose among meter, kilometer, centimeter or millimeter.

What lengths are marked on the following centimeter ruler?

	cm	mm
a)	_____	_____
b)	_____	_____
c)	_____	_____
d)	_____	_____
e)	_____	_____

Measure the following lines with a centimeter ruler.
