

2019 Service to Humanity Scholarship

Here at the Disparti Law Group, we are strongly committed to our community and support many different initiatives. Whether supporting local little league sports teams, art museums, or civic goals, we care deeply about the people we serve. One of the primary ways we can encourage our community to grow and prosper is by developing academic potential and excellence by empowering our students to reach for the stars. This has inspired us to create the Disparti Law Group's Service to Humanity Scholarship. We will award \$1,000 to a student who has exhibited an exceptional service to humanity and who best describes their commitment to service.
