PARKING REGULATIONS

All of the following rules will be strictly enforced:

1. Vehicles should be locked with no valuables left inside. The school **district assumes no responsibility** for private property.
2. Speed at all times while on school property is **5 MPH**.
3. School busses and pedestrians always have the right of way.
4. **All vehicles parked on campus** must be registered and display a valid parking permit.
5. Staff may park only in the designated staff parking lot(s). If you drive a different vehicle on any given day that has not been registered to park on campus, you must park legally on the street until vehicle has been registered - failure to do so may result in a parking violation.
6. The parking permit must be visibly displayed **on the dashboard or rear view mirror**.
7. The parking permit is only valid for the vehicle(s) registered at time of parking registration.
8. Parking permits are issued for the sole use of the purchaser and are not transferable.
9. All parking is forward facing only - no backing into parking stalls is allowed.
10. Illegal parking will be **towed at owner's expense**.
11. Vehicles left on campus for more than three days (72 hours) shall be considered abandoned and may be towed away at owner's expense.

I have read and understand the rules provided above. I certify below that I possess a current driver's license, current vehicle registration and required vehicle insurance.
