Monday, May 12, 2014

As the 2013-2014 school year winds down, I want to thank everyone who had a part in making South Fork such a great place to be! We are finishing up our new SBAC testing in grades 3-8. Students and staff persevered and the testing window closes this week on May 15. Congratulations on a job well done!

As we look toward the school year 2014-2015, we will again face challenges and the expectations for our students will be even greater in the areas of academics and behavior. We will be implementing the new Common Core State Standards as well as Positive Behavior Interventions & Support. We look forward to new faces, new ways to present the curriculum and more flexibility in scheduling our daily plans.

We can't do this alone. We invite parents and community members to become a part of our team. We can always use volunteers at every grade level. You may have the expertise that we are looking for! The more you get involved, the more you learn about your children's education.

There are many activities that happen at the end of the school. Make sure that you check your Calendar/Menu for all of the activities and assemblies that your children will participate in. Our last day of school is May 29th, with dismissal at 1:05 for the Elementary and 1:12 for the Middle School. Eighth grade graduation is on Wednesday, May 28th at 4:30 pm in the Middle School Gymnasium.

Have a wonderful and safe summer, and we'll see you back at school on Monday, August 18, 2014.
